Paul,2017-08-15 Taking its cue from contemporary western debates on presence in the social sciences and the humanities this volume focuses on presence both as everyday experience and as an experience of intense moments It raises questions about diverse social configurations of presence as well as about the specific cultural repertoires which encode articulate and shape discourses of presence The contributions take as a premise that phenomena of presence are connected to particular forms of knowledge Especially tacit knowledge pre determines experiences of individual and collective presence and becomes tangible in moments of presence or presentification To Love a Vampire Jody Offen,2005-04 Kayla backed up for every step he advanced Her heart pounded painfully against her chest She swore she saw flames flickering behind the vibrant colors in his eyes She had never felt so afraid so alive When she realized she couldn t escape him she stood her ground lifting her head defiantly in challenge Tray didn t move standing over her like a warlord about to pass judgment He had read her thoughts as if she had shouted them at him He looked over the perfection of her body missing nothing not one line not one curve not one freckle He then stared into her eyes till she met and held his gaze He saw many emotions in their blue depths there it was fear Good she should be afraid of him **Wicked Soul: a Fated Mates Vampire Romance** Nora
