## **Romantasy Saga Quick Start:**

Writers' Handbook 2025 J. Paul Dyson, 2024-12-15 The 2025 edition of firstwriter.com's annual directory for writers is the perfect book for anyone searching for literary agents, book publishers or magazines. It contains over 1,500 listings including revised and updated listings from the 2024 edition and over 300 brand new entries. Finding the information you need is now quicker and easier than ever before with multiple tables and a detailed index and unique paragraph numbers to help you get to the listings you're looking for. The variety of tables helps you navigate the listings in different ways and includes a Table of Authors which lists over 6,000 authors and tells you who represents them or who publishes them or both. The number of genres in the index has expanded to over 900. So for example, while there was only one option for Romance in previous editions, you can now narrow this down to Historical Romance, Fantasy Romance, Supernatural Paranormal Romance, Contemporary Romance, Diverse Romance, Erotic Romance, Feminist Romance, Christian Romance or even Amish Romance. The new edition includes Over 650 literary agents and agencies, Over 450 magazines and Over 500 publishers that don't charge fees. International markets become more accessible than ever with listings that cover both the main publishing centres of New York and London as well as markets in other English speaking countries. With more and more agents, publishers and magazines accepting submissions online, this international outlook is now more important than ever. There are no adverts, no advertorials and no obscure listings padding out hundreds of pages. By including only what's important to writers, contact details for literary agents, publishers and magazines, this directory is able to provide more listings than its competitors at a lower price. The book also allows you to create a subscription to the firstwriter.com website for free until 2026. This means you can get free access to the firstwriter.com website where you can find even more listings and also benefit from other features such as advanced searches, daily email updates, feedback from users about the markets featured, saved searches, competitions, listings, searchable personal notes and more. I know firsthand how lonely and dispiriting trying to find an agent and publisher can be. So it's great to find a resource like firstwriter.com that provides contacts, advice and encouragement to aspiring writers. I've been recommending it for years now. Robin Wade, literary agent at the Wade Doherty Literary Agency Ltd and long term firstwriter.com subscriber.

**A Desire for Respect** Massimo

Parlermo,2021-08-16 A Desire for Respect is the second book that Massimo Parlermo has written and it continues with the story about the character of Gianni Martino that he wrote about in his first book Desire for Love In this second book the story is mainly focused on how important respect was for Gianni in his career and with his friends and from his bosses and this story focuses on the professional career of Gianni and what his plans were for his career originally and what his plans and career turned out to be He loved sports as much as he loved his music but little did he know that when he was playing in a game of softball that a play he was involved with would change the course of his life and career but then he would lean back on sports later in his life to help him try and turn around his life Not only did he lean on sports but the desire for respect also motivated him He was an easygoing man who did not desire to get to the top He was not seeking wealth He was happy with just being in middle management and making enough money to enjoy his life but he soon found out that he could no longer enjoy that easygoing life He would soon get disrespected by his bosses and friends and other factors that shattered his life That made him angry and he began his quest to not only gain back that respect but he was also motivated to show everyone else what he was capable of and that he was not someone to be walked all over and be taken for granted Little did he know that the desire for respect would soon change his outcome on life He needed to get out of his mess and rebuild his life and career but no matter how hard he tried it seemed like he was never going to get out of his predicament and he soon learned he could not get out of the predicament until he changed his path he was using to get out of his mess **Phoenix Unbound**
