From Nicaea To Chalcedon A Guide To The Literature And Its Background:

From Nicaea to Chalcedon Frances M. Young, Andrew Teal, 2010 Created as a companion guide to a Patristics textbook From Nicaea to Chalcedon surveys a variety of writings to have occurred during one of the most significant periods in the formation of the Church from 265 466 It does not aim to cover the subject as a textbook would but aims to delve deeper into some of the characters who were involved with the Church or the Councils during this period Beginning with Eusebius of Caesarea and the first council of the Church at Nicaea and ending with Theodoret of Cyrrhus who is thought to have changed his view of Christology after the watershed Council of Chalcedon this unique text surveys some of the most influential characters to have shaped Church history and the formation of doctrine Surveying a mixture of significant literary figures laymen bishops and heretics this book presents biographical literary critical and theological information about each They are chosen either because they are important to the history of doctrine or because new material about them has thrown light upon their work or because they will broaden the reader s understanding of the culture and history of the period or of live issues in the church at the time Structured in five parts each part deals with a period of time and a sequence of characters so the book is easily followed in chronological order Added to this is the double bibliography which in this edition is fully updated Bibliography A details those texts in English of the original texts of antiquity whilst Bibliography B provides details of publications in English French and German which have appeared since 1960 2004 on or about the characters discussed in the body of the text From Nicaea to Chalcedon Frances Margaret Young, 2004 Dictionary of World Biography Frank Northen Magill, Alison Aves, 2003-01-23 Containing 250 entries each volume of the Dictionary of World Biography contains examines the lives of the individuals who shaped their times and left their mark on world history Much more than a Who s Who each entry provides an in depth essay on the life and career of the individual concerned Essays commence with a quick reference section that provides basic facts on the individual s life and achievements and conclude with a fully annotated bibliography The extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual s place in history Any student in the field will want to have one of these as a handy reference companion Themelios, Volume 35, Issue 3 D. The study is based on the comparison between the early period of Theodoret's Christological output Expositio rectae fidei and Refutation of the Twelve Anathemas and his mature period Eranistes Theodoret's Christology is ultimately vindicated and his position as a credible theologian who anticipated the definition of the Council of Chalcedon AD 451 is assured while proposing that challenges to the consistency of his Christology ought to be reconsidered **Religious Diversity in Late Antiquity** David Morton Gwynn, Susanne Bangert, 2010 This volume in the ongoing Late Antique Archaeology series draws on material and textual evidence to explore the diverse religious world of Late Antiquity Subjects include Jews and Samaritans orthodoxy and heresy pilgrimage stylites magic the sacred and the secular **The Vision of Didymus the Blind** Grant D. Bayliss, 2015-12-10 An independent teacher based in Alexandria throughout the second half of the fourth century Didymus appealed to many within the broadly Origenist currents of Egyptian asceticism including Jerome Rufinus and Evagrius His commentaries lecture notes and theological treatises show him specifically committed to the legacy of Origen and Philo rather than a broader Alexandrian or noetic reading of Scripture Yet his concern was not to answer classic Antiochene critique but rather offer a faithful continuation of many aspects of Origen's thought and exegesis now made consistent with the broader anti subordinationist developments in Nicene faith from the 350s onwards In doing so he made virtue a primary category of reality human existence and life in ways that go beyond the traditional philosophical tropes This turn to virtue draws parallels with wider fourth century trends but it sets Didymus own Origenism apart from those of other Origenists such as Eusebius of Caesarea or Evagrius of Pontus Thus detailed discussion focuses on Didymus portrayal of virtue sin and passion which together form the constant hermeneutical terrain for his anagogical exegesis and exhortation to a dynamic process of ascent Speculative comments of Origen on the pre existence of the soul salvation of the devil pre passion and the sin of Adam are shown to be reframed both to aid the individual s navigation of the return to virtue and to answer the challenge of contemporary Manichaean and Apollinarian beliefs **The History of Apologetics** Zondervan, 2020-06-16 ECPA Christian

Book Award 2021 Finalist Biography Memoir Explore Apologetics through the Lives of History's Great Apologists The History of Apologetics follows the great apologists in the history of the church to understand how they approached the task of apologetics in their own cultural and theological context Each chapter looks at the life of a well known apologist from history unpacks their methodology and details how they approached the task of defending the faith By better understanding how apologetics has been done readers will be better able to grasp the contextualized nature of apologetics and apply those insights to today s context The History of Apologetics covers forty four apologists including Part One Patristic Apologists Part Two Medieval Apologists Part Three Early Modern Apologists Part Four 19th C Apologists Part Five 20th C American Apologists Part Six 20th C European Apologists Part Seven Contemporary Apologists Damgatum - Number 17 (2021) Jorge Cano Moreno, 2021-12-31 Damgatum is a journal dedicated to the history and archaeology of the Near East oriented to the general public Greek and Roman Historiography in Late Antiquity Gabriele Marasco, 2003 A comprehensive analysis of Greek and Latin historiography from Constantine to the end of the sixth century AD It aims to examine the development of late antique historiography stressing the relations between pagan and Christian historians their polemics and their often neglected agreements Early Christian Greek and Latin Literature Claudio Moreschini, Enrico Norelli, 2005 Early Christian Greek and Latin literature examines early Christian writings with particular attention paid to their literary characteristics and their effect on the development of Western culture Cover John Chrysostom and the Transformation of the City Aideen Hartney, 2004-01-29 John Chrysostom was one of the most prolific and admired Christian preachers of the fourth century AD This book conducts an exploration of his preaching shedding light both on gender relations in late antiquity and also on the practical processes by which Christianity established itself Early Christianity Ian Hazlett, 1991
