A Tall Order Kapil Pathare,2018-03-01 There is a lot to learn from this league of extraordinary gentlemen They make such fine ambassadors of this great country of ours While picking these 10 cricketers I did not have to think much because each of these gentlemen have made an impact on our lives in the last 25 years Whether it is the Fabulous Four of Sachin Tendulkar Rahul Dravid Sourav Ganguly and VVS Laxman or the spin duo of Anil Kumble and Harbhajan Singh fantastic Virender Sehwag flamboyant Yuvraj or the ever cool Mahendra Singh Dhoni or the magical Zaheer Khan they have all made an impact in different ways I have a lot to learn from each of these gentlemen because they have different qualities Tendulkars humility is a lesson for all of us Dravids steely resolve is worth emulating Ganguly and MS Dhoni offer contrasting lessons in leadership skills Similarly the fighting spirit of the spin pair of Kumble and Harbhajan or the devil may care attitude of Sehwag or the sheer natural ability of Yuvraj coupled with the self confidence of Zaheer All this has impacted me and no doubt billions of others As I compiled this book I was left wondering how wonderful it was for Indian cricket to have all these gentlemen play almost at the same time Very rarely have cricket teams been built around individuals who are the best at what they do It is indeed a privilege and a honour to have seen these extraordinary cricketers in the same era One can learn so much from simply playing back their exploits The videos of their efforts still make for compelling viewing As you would imagine I am a complete cricket nut For me nothing else mattered It therefore felt great to compile my thoughts on these 10 extraordinary cricketers

THE MAD AD YEARS Aryani Banerjee,Tapas Gupta,2020-12-04 THE MAD AD YEARS India s first advertising fiction with top advertising agencies in India as the backdrop brings into light and uncovers scandals and exploitations in the real world of advertising through the eyes of the protagonist Prashant Gupta who has worked in some of the largest agencies in the country for nearly forty five years The story encircles his journey from being a 22 year old simple graduate from a

Eleven Gods and a Billion Indians Boria Majumdar, 2018-04-06 Eleven Gods and a Billion Indians goes deep into every Indian cricket tour since 1886 taking the reader backstage to when India played its first test in 1932 and bringing the story forward to the more contemporary IPL to provide a complex and nuanced understanding of the evolution and maturity of the game Equally it comes with material that has never entered the public domain so far going behind the scenes of cases like Monkeygate the suspension of Lalit Modi spot fixing and the phase of judicial intervention It carries not just reportage and analysis but also player reminiscences personal interviews photographs and letters never known or discussed so far in Indian sporting discourse Weaving together such material Eleven Gods and a Billion Indians unflinchingly confronts questions that demand answering among them Has internal bickering impacted the on field performance of the Indian cricket team Did some of our icons fail the country and the sport by trying to conceal important facts during the spot fixing investigation And does it matter to the ordinary fan who heads the BCCI as long as there is transparency and accountability in the system In the end in telling the story of the role of cricket in colonial and post colonial Indian life and the inter relationship between those who patronize promote play and view the sport Eleven Gods and a Billion Indians unravels the story of a nation now considered the financial nerve centre of world cricket
