and generating an immeasurable amount of goodwill Prosper Steve Kelly, 2016-07-14 Over the past fifty years there have been hundreds if not thousands of Christian books written about prosperity Many of those books are based on sound teaching and understanding of God's principles For example sowing and reaping is a natural and spiritual truth God's plan is to bless His people not to harm them Jesus did say that whoever follows Him would reap now in the present age houses brothers and sisters The aim of this book is not to refute or really even add to the work of many books that have taught the true values of God's design for His people to have and receive financial blessing This book is broader than finances Finances are important to be sure but life is more than money Jesus said Isn't life more than food and the body more than clothing He taught us to think about more than material things Just before that in Matthew 6:24 NIV He said No man can serve two masters You cannot serve God and money Too often we fall into the trap of believing that money is the proof of God's favor Because it's at the center of our interaction with the things we need to live and function in modern society money becomes the tool and the gauge for determining how blessed we are But life is more than a give to get plan Life is more than budgets and spreadsheets and 401Ks though all those things are necessary Life is not what we possess Life is what we pass on to others Life is not just building a financial inheritance for your children it's modeling an abundant heart of gratitude that infects everyone around you I chose the title for this book very strategically You see a prosperous life is a generous life A generous life is a blessed life Regardless of material accumulation the Bible promises that the generous person will prosper and whoever refreshes others will be refreshed To prosper means to have abundance in many areas Physical health Spiritual peace Marital bliss Joyful children A great reputation The list could go on and on You get the point Being blessed is about what you have left over after you've paid your bills Prospering is not about buying things you can't afford to impress others In fact Solomon who had more material wealth than anyone in history warned it's better to have a sleeping dog than a dead lion He meant that it was better to have something effective and useful but less impressive on the surface than to have a majestic creature that has no power because it's dead It's no benefit to have a superficially impressive possession if it was paid for by incurring a huge debt you can't afford It's better to have a less significant house or car that you can afford than to carry the crushing burden of debt and live under stress and worry Too often instead of thanking God we have a roof over our head which billions of people don't we only pray for a bigger roof over our head My true prayer is that you would prosper But as John writes I pray that you prosper in all things and be in health just as your soul prospers So that's my prayer as well I pray that as you read this book you understand the full meaning of a prosperous life I pray that you comprehend the breadth and depth of God's desire for your life A life meant to be lived without needless anxiety and worry about tomorrow A life that is generous and therefore blessed I pray that you prosper Steve Kelly *Give to Live* Stan Toler, 2012 John Wesley said we should earn all we can save all we can and give all we can This is great advice but the reality for many Christians today is more like Earn all you can can all you get and sit on the lid Generosity does not come naturally for most of us yet it is the first economic principle in God's

kingdom Time after time God's Word instructs us to be generous with what God gives us This is how we honor God impact others and receive a blessing in the process In Give to Live veteran pastor Stan Toler inspires and equips Christians to live generously and to trust God with their finances and lives This timely and practical book includes a full study guide with small group discussion questions for each chapter Embrace the abundant life today **The Generosity Project** Tony Payne, Geoff Robson, 2020-04 In Christian circles generosity is often code for talking about giving money But generosity is about far more than money God is lavishly generous towards us in a thousand ways and most of all in the grace of the gospel God's powerful generosity through the gospel not only saves us but sets us free to live a new radically generous life a life which is no longer turned inwards on ourselves but which flows out to others with an open generous hand The Generosity Project is a set of resources to help you discover and live this new generous life that God has called you to In this book and in the free online videos that accompany it you'll engage with what the Bible says about generosity read or watch input from leading Bible teachers and work out what it all means in practice in your life **Be Generous and Change the World** Inks and Pages, 2020-02-04 Be Generous and Change the World is Book II of the Spread Goodness and Light Series a five 5 book series aimed at helping to make the world a much better lighter and more positive place to live in through simple acts of goodness everyday starting with Kindness Book I and now with Generosity Book II This beautiful little book will challenge you to do a simple act of generosity everyday for thirty 30 days and allows you to reflect on how you felt about the act with a feeling mood meter as well as spaces to write your thoughts If you want to see more generosity in the world or in your life you have to start with yourself Initiating simple acts of generosity will create a ripple effect because if you are generous to another person he/she will be inspired to do the same to another ultimately causing a positive change in the world But it's not only about generosity in money but more so of generosity in spirit Change your life change the world for the better it starts with you Are you up to the challenge ADD TO CART Now Get one for yourself and a friend and everyone you care about Help us spread the love help us spread goodness and light in the world Features and Product Description Daily kindness prompt for 30 days Feeling Mood Meter Spaces to write your thoughts and reflections Carry anywhere 8 5x8 5 size Beautifully designed matte cover Uniquely designed interior High quality paper Makes a delightful gift for Birthday Mom Mother's Day Dad Father's Day Wife Husband Valentine's Day Boss Leader Supervisor Best Friend Co Worker Christmas Stocking Stuffer Graduation Retirement Party Any holiday or special occasion **Transforming Your Financial Diet** Craig Ford, 2012-09-20 Are you trying to figure out what God is calling you to do with your money Transforming Your Financial Diet teaches you how to limit your spending and simplify your living so you can fully participate in the joy of giving As people earn more accumulate more and spend more some Christians are beginning to sense that God wants them to find an alternative way to deal with their wealth They want to find a path that does not require them to participate in the materialism of this culture They want a way that is simpler **Money and More** Todd Gaddis, 2007-07 If you find yourself interested in money

you're in good company because Jesus was too and still is. In fact one sixth of the gospels and one third of the parables deal with the critical area of stewardship. Money More: The Quest for Generous Living explores a portion of these key encounters and teachings. But it doesn't stop there. The author taps into other sections of the Old and New Testaments to reveal Divine counsel on a subject that has occupied people's time and attention throughout the centuries. God provides three ways for us to invest in eternity with our time, talents, and treasures. The way we share our treasures is the driving force behind this book. Liberation begins when we realize God is the owner and we are the stewards. How we choose to handle what He so graciously provides has a major impact on the quality of life we can anticipate. Some choose to hoard their money, thus missing the blessings that could be theirs by sharing their resources and giving back a portion of what they've received to churches and other worthy charitable causes. Others squander their money as fast, some even faster, than it comes in, leaving nothing to give. Jesus claims that it is more blessed to give than receive. Acts 20:35 is by no means an empty platitude or shopworn cliché. It's a life-changing truth that Money More seeks to deliver in a fresh and a new way. Dive in, yet take small bites and chew slowly as you begin your quest into generous living.
