The Silent Schism Brother Louis DeThomas, 2016-03-24 Pope Francis has called upon Catholics to use what he calls the grammar of

simplicity when talking with one another and with others outside the church In this groundbreaking work Brother Louis De Thomas and Sr Cynthia Nienhaus use the grammar of simplicity to describe the current schism happening in the Catholic Church worldwide and offer solutions for how to heal it Using the grammar of simplicity found in The Message Catholic Ecumenical Edition they demonstrate that Jesus was always less worried about doctrine dogmas and dictums and more interested in the radical law of love They call on both traditionalists and progressives in the church to recapture the mission of Jesus to bring about the reign of God on earth as it is in heaven

Becoming a Christian in Christendom Jason A. Mahn, 2016-11-01 How might one live the Christian faith within a culture that idealizes and privileges Christianity while also relativizing it rendering it redundant and innocuous Arguing for a reconceptualization of the theology of the cross and radical communal practices this book brings together two clusters of critics of Christian acculturation and accommodation 1 Lutherans such as Kierkegaard and Bonhoeffer who lift up radical discipleship against the propensity toward cheap grace and 2 various Anti Constantinians including neo monastic communities who resist the church's collusion with power politics symbolized by the conversion of Constantine in the early fourth century Drawing on these diverse resources author Jason Mahn explores some pervasive dangers of America's new Christendom its accommodation to an exploitative economy that cheapens the meaning of grace its endorsement of political liberalism within which the church becomes another special interest group its justification of war and other forms of necessary violence and its self-defeating lip service to religious inclusivity Mahn provocatively imagines alternatives to conventional Christianity ones whereby the church embodies an alternative politic where it commits to cruciform non violence appreciates gifts by giving them away and knows its boundaries well enough to learn from those on the other side

Super flumina issue 3 Community of Mary, Mother of the Redeemer, 2020-03-30 The Community of Mary Mother of the Redeemer now releases its third issue of their journal *Super flumina* A journal of theological commentary and crankyness This Pascha Easter issue continues to have all of the theological commentary without sacrificing any of the crankyness We have everything in this issue from pandemic laments to Powers and Principalities to longing for Holy Communion and for each others company but all of it set within the context of Resurrection Hope

Monasticism in Modern Times Isabelle Jonveaux, Stefania Palmisano, 2016-10-14 This book presents a broad sociological perspective on the contemporary issues facing Christian monasticism Since the founding work of Max Weber the sociology of monasticism has received little attention However the field is now being revitalized by some new research Focusing on Christian monks and nuns the contributors explore continuity and discontinuity with the past in what superficially might appear a monolithic tradition Contributors speak not only about monasticism in Europe and the United States but also in Africa and Latin America a different landscape where the question of recruitment does not figure among issues considered as problematic

Life at the End of Us Versus Them Marcus Peter Rempel, 2017-11-06 Our present moment can no longer sustain a stable us defined against an alien them So say Ren Girard and Ivan Illich radical critics of

both Christianity and culture If they are right this makes our time an endtime The end of us against them can deteriorate into the chaos of each against each or it can open outward into freely chosen communion It is an expectant and apocalyptic time How does one live in this strange endtime world As a wanderer in the odd cross culture country Girard and Illich have mapped the author finds himself in a surprising new place in relation to those who are his other women queer folk refugees Muslims atheists and Indigenous people In this collection of essays he blinks looks around and makes some field notes

Rekindled Mallory Smyth, 2020-11-06 Winner of a second place award for popular presentation of the faith by the Catholic Media Association Mallory Smyth has been where many young Catholics are today But the difference between her and other fallen away Catholics is that she figured out that when she overlooked the shortcomings of the Church as an institution she fell in love with Jesus and rediscovered the beauty and truth of her faith In *Rekindled* Smyth's raw relatable account of her own disillusionment and departure is sure to resonate with anyone who has struggled to feel at home in the Church For anyone who has left the faith or has one foot out the door this powerful book just might illuminate a path back home to a Church that is both holy and in need of perfection Shallow homilies Hypocritical authority figures Trite answers to pressing questions These and other shortcomings of the Church have led plenty of Catholics to question their faith or to abandon it entirely *Rekindled* is for those who have left the Church and those with one foot out the door Smyth's account of her own disillusionment and departure is relatable and honest She understands and validates the pain and doubt that many Catholics and former Catholics feel Smyth also provides you with practical guidance for keeping your faith even when what you encounter in the Church falls short How to recognize Christ's presence even in the most mediocre Mass experiences Strategies for finding faithful role models when authority figures let you down Where to turn when the answers and pastoral guidance you receive don't reach the heart of the issue How to find fulfillment in Christ and in the community of the saints even when joy seems to be in short supply in the Church
