#### From Paedobaptism To Credobaptism:

From Paedobaptism to Credobaptism W. Gary Crampton, 2010-06 W Gary Crampton was a paedobaptist for many years Through his study of the Scriptures he has come to the conviction of credobaptism "Take and Eat": From Fall to Feast TK Dunn, 2024-11-12 There are many doorways that can be used to enter and engage with the storyline of the Bible In this book TK Dunn traces the theme of take and eat across the pages of Scripture to demonstrate that many of the critical events in redemptive history are marked by uses of food From God's bountiful provision in Eden through the celebratory feast of the New Jerusalem Dunn explores how God uses meals as a symbolic method of teaching his people about grace mercy justice holiness and redemption This Biblical Theological feast is designed to provide a unique and captivating analysis of God's activity in his created realm by interacting with his people in a manner that they could both experience and understand The contract of the Fallen Adam with the Final Adam sits at the heart of the gospel and it is therefore not surprising that the take and eat motif is present in the lives of both Adam and Jesus Seeing Jesus obedience as an inversion of Adam's failure Dunn demonstrates how Christ is not only the fulfillment of the Old Testament's hopes and promises but also the one who restores and renews all things by the unwinding of the Fall By considering how God uses these moments to progressively reveal more about his work of salvation through Christ Dunn provides a theological buffet that will entice the unbeliever to taste and see that the Lord is good and also satisfy the believer who is eagerly anticipating the day when Christ will sit and feast with his beloved church at the end of time The Baptism of Disciples Alone Fred A. Malone, 2007

Journal of Biblical and Theological Studies, Issue 4.2 Daniel S. Diffey, Ryan A. Brandt, Justin McLendon, 2019-12-09 The Journal of Biblical and Theological Studies JBTS is an academic journal focused on the fields of Bible and Theology from an inter denominational point of view The journal is comprised of an editorial board of scholars that represent several academic institutions throughout the world JBTS is concerned with presenting high level original scholarship in an approachable way Academic journals are often written by scholars for other scholars They are technical in nature assuming a robust knowledge of the field There are fewer journals that seek to introduce biblical and theological scholarship that is also accessible to students JBTS seeks to provide high level scholarship and research to both scholars and students which results in original scholarship that is readable and accessible As an inter denominational journal JBTS is broadly evangelical We accept contributions in all theological disciplines from any evangelical perspective In particular we encourage articles and book reviews within the fields of Old Testament New Testament Biblical Theology Church History Systematic Theology Practical Theology Philosophical Theology Philosophy and Ethics Sojourners and Strangers Gregg R. Allison, 2012-11-30 What is a church This can be a difficult question to answer and Christians have offered a variety of perspectives Gregg Allison thus explores and synthesizes all that Scripture affirms about the new covenant people of God capturing a full picture of the biblical church He covers the topics of the church s identity and characteristics its growth through purity unity and

discipline its offices and leadership structures its ordinances of baptism and the Lord's Supper and its ministries Here is a rich approach to ecclesiology consisting of sustained doctrinal reflection and wise practical application Part of the Foundations of Evangelical Theology series Evangelical Theology Michael F. Bird, 2013-10-29 Evangelical Theology is a systematic theology written from the perspective of a biblical scholar Michael F Bird contends that the center unity and boundary of the evangelical faith is the evangel gospel as opposed to things like justification by faith or inerrancy The evangel is the unifying thread in evangelical theology and the theological hermeneutic through which the various loci of theology need to be understood Using the gospel as a theological leitmotif an approach to Christian doctrine that begins with the gospel and sees each loci through the lens of the gospel this text presents an authentically evangelical theology as opposed to an ordinary systematic theology written by an evangelical theologian According to the author theology is the drama of gospelizing performing and living out the gospel in the theatre of Christian life The text features tables sidebars and questions for discussion The end of every part includes a What to Take Home section that gives students a run down on what they need to know And since reading theology can often be dry and cerebral the author applies his unique sense of humor in occasional Comic Belief sections so that students may enjoy their learning experience through some theological humor added for good measure Evangelical Theology, Second Edition Michael F. Bird, 2020-10-20 Gospel Centered Theology for Today Evangelical Theology Second Edition helps today s readers understand and practice the doctrines of the Christian faith by presenting a gospel centered theology that is accessible rigorous and balanced According author Michael Bird the gospel is the fulcrum of Christian doctrine the gospel is where God meets us and where we introduce the world to God And as such an authentically evangelical theology is the working out of the gospel in the various doctrines of Christian theology The text helps readers learn the essentials of Christian theology through several key features including A What to Take Home section at end of every part that gives readers a run down on all the important things they need to know Tables sidebars and questions for discussion to help reinforce key ideas and concepts A Comic Belief section since reading theology can often be dry and cerebral so that readers enjoy their learning experience through some theological humor added for good measure Now in its second edition Evangelical Theology has proven itself in classrooms around the world as a resource that helps readers not only understand the vital doctrines of Christian theology but one that shows them how the gospel should shape how they think pray preach teach and minister in the world Themelios, Volume 37, Issue 3 D. A. Carson, 2015-01-27 Themelios is an international evangelical peer reviewed theological journal that expounds and defends the historic Christian faith Themelios is published three times a year online at The Gospel Coalition http thegospelcoalition org themelios and in print by Wipf and Stock Its primary audience is theological students and pastors though scholars read it as well Themelios began in 1975 and was operated by RTSF UCCF in the UK and it became a digital journal operated by The Gospel Coalition in 2008 The editorial team draws participants from across the globe as editors essayists and reviewers

Cross, 2012-12-06 The subject of baptism continues to be of considerable interest though it frequently appears within broader studies of sacraments liturgy worship and ecumenical studies and within confessional bounds credobaptist or paedobaptist yet it is rarely discussed by Evangelicals This book however is neither an apologetic for credobaptism nor paedobaptism rather Cross believes that as practiced today both forms are a departure from New Testament baptism which he maintains was an integral part of becoming a Christian and part of the proclaimed gospel He argues that the one baptism of Ephesians 4.5 is conversion baptism and that the baptism referred to in the various New Testament strata refers to this one baptism of Spirit and water The study sets out the case for this interpretation and contends that in key passages baptism is an example of synecdoche The case is then made for a sacramental interpretation of baptism from a thoroughgoing Evangelical perspective Cross concludes with reflections on the necessity of baptismal reform and the relevance of a return to conversion baptism for the contemporary church in a post Christian post Christendom mission setting Candid Reasons The Rickety Bridge and for Renouncing the Principles of Anti-paedobaptism Peter Edwards ((Of Portsea, England)), 1841 the Broken Mirror Brunson, 2007-05 John and Christ administered baptism totins corpore submersione by the submission of the whole body The very word baptize signifies to immerse entirely and it is certain that immersion was the practice of the ancient Church John Calvin The Greek word baptizo means immerse or plunge and the word baptisma means immersion Martin Luther Immersion of the whole body was used from the beginning which expresses the force of the word baptize whence John baptized in a river It was afterward changed into sprinkling though it is uncertain when or by whom Ulrich Zwingli Baptism is immersion in water Philip Melancthon It is true that there is no express command to baptize infants in the New Testament no express record of the baptism of infants and no passages so stringently implying it that we must infer from them that infants were baptized B B Warfield There is no Biblical basis for infant baptism this tradition is simply an old error of the church Karl Barth Candid Reasons for Renouncing the Principles of Antipaedobaptism Peter Edwards ((Of Portsea, England)),1844
