From Sinner to Saint Janice Jones,2012-12-01 Antonyo Ian Demont Simms treats women as casually as most people treat their socks changing them frequently With the help of his aunt LaTrece his mother s irresponsible twin sister Antonyo learns how to use his good looks and charisma to win the hearts and treasures of a vast array of female companions Each of these women thinks that she may just be the one who can turn this hot hunk into a husband but Antonyo has no intention of changing his womanizing ways The only woman Antonyo can t get over on is his no nonsense mother LaTrina She struggles every day trying to instill strong morals in her son and turn him into a good man in spite of the example set by his deadbeat father LaTrina gives her life to Christ and as she grows in her relationship with God she does all in her power to convince Antonyo to do the same thing Antonyo is impressed with the new person his mother is becoming but he s certain that his life is fine exactly the way it is Can a mother s love and God s all encompassing power grace and mercy change a young man from sinner to saint before Satan drags him into the pits of hell **From Sinner to Saint** Lourens Andries Stephanus Du Plessis,1994 Thinking Hell Was on Earth Slim Hasson,2013-06-11 IT S A BLESSING TO BE TAUGHT BY THE MASTER TEACHER Dear Lord I thank you for my writing ministry On August 28th 1985 the Lord Jesus Christ of Nazareth spoke to my heart and told me to use what I had He carried my mind back to the many victories I had accomplished in writing letters I was in Morning Prayer at the church I attend and I was asking the Lord for an answer to a situation that I was in The Lord s answer was simple He said use what you have In the early part of the year 1986 God gave me a title He said to me It s A

Augustine, Sinner & Saint James O'Donnell,2006-04-06 Augustine a North African bishop towers over the landscapes of western cultures from over 1500 years ago He invented original sin almost single handedly He is responsible for many of the ways in which we think about gods religions politics and psychology He wrote beautifully and left behind 5 million words of writings He is the first saint to have had a website James O Donnell has written a magnificent new biography which presents Augustine outside his own spin that of his autobiographical Confessions a best seller since it was written He tells the story from the vantage point of Hippo the city in what is now Algeria where Augustine spent almost 40 years as priest and bishop By telling the story that way O Donnell is able to escape from the Confessions the post Confessions years are the ones in which Augustine 354 430 really made his name The story is extraordinarily rich in vivid primary material about the crises and doings of his time the late Roman Empire Rich men converting to Christianity to get ahead priests covering up their sexual and financial peccadilloes gangs of desperadoes invading churches or lying in ambush on country roads generals playing coldly calculated games of geopolitics these are the figures who stand out in Augustine s world against a background of a battle to the death over the future of Christianity This is one of the most remarkable biographies to be written about any figure from the ancient world

The Testimony of a Faithful Servant Bryan Paddyfote,2015-10-27 The Testimony of a Faithful Servant is a look inside the mind of a sincere Christian with the purpose of helping many to understand God It covers scenarios in the author s life which include outward and inward struggles that all mankind can relate to and shows the active purpose of God in a man s life as he is changed from a product of this world into a partaker of the kingdom of Heaven Many people search the world over for answers to overcoming the struggles in life They desire the key to a full life to becoming the best they can be to find their purpose in life The answer to this question is summed up not only in this testimony but also by another servant of God named Paul The answer is faith hope and love

Basic Discipleship 101 Ron Hordyk,2018-04-10 For we are God s fellow workers you are God s field God s building By the grace God has given me I laid a foundation as an expert builder and someone else is building on it But each one should be careful how he builds 1 Corinthians 3 9 10 When someone starts to build a house he first lays the foundation on which the rest of the house will be built If the foundation is not built correctly the rest of the building will be compromised affecting not only its immediate use but also its longevity The previous scripture

states that the church must also lay a good foundation in new believers The Bible contains specific teachings that form the foundation of the Christian faith To overlook even one of these teachings will affect how we perceive the rest of the Christian faith An obvious example is to teach judgment without mercy a teaching which causes the church to be legalistic However to teach mercy without judgment causes the church to give license to sin Both teachings are essential for the one teaching balances the other When a person accepts Jesus as his Savior and Lord most churches place the person in their ongoing programs with the hope that he will grow However a new believer does not share the foundational truths that mature Christians have The minister may make statements which out of context will appear harsh but are not harsh when placed in the context of other accepted teachings For this reason the church must give new believers a foundation which will allow for a balance in regard to the teachings to which they will be exposed Basic Discipleship 101 is written to give new born believers the foundation on which they can build their Christian faith In this collection of studies we will examine what it means to become a Christian identify the principle players in salvation and examine the elementary truths on which the sermons they will be exposed to will be built upon Welcome to Basic Discipleship 101 A Retreat with Peter Jim Willig, Tammy M. Bundy, 2001 In this seven day retreat Growing From Sinner to Saint your director is Peter fisherman of Galilee follower of Jesus and keeper of the keys to the kingdom Follow Peter s amazing transformation through his own retelling of the Gospel stories Share his growing insight into the human and divine person of Christ and learn from his experience how to be a follower and friend of Jesus **Leaves of Healing** ,1928
