From The Top Down The Executive Role In Volunteer Program Success:

From the Top Down Susan J. Ellis, 1996 A best seller since the first edition was published in 1986 this is the first and only book that addresses the top decision maker's role in a volunteer program. It clearly illuminates the issues necessary to facilitate volunteer program success including an overall vision, policy questions, budgeting, staffing, employee-volunteer relations, the role of the board of directors, and assessing the impact of volunteer contributions. This new fully revised edition is packed with updated information regarding legal risk management and insurance changes, new regulations on accounting practices, covering donated time, the growing trend of mergers, and the new categories of stipended and mandated community service participants. From Library Volunteer to Library Advocate Carla Campbell Lehn, 2018-05-24 This guide will show you how to reinvigorate your library's volunteer program using your community as a resource. Volunteers are essential to a library's well-being, but running a volunteer program is a complicated task that could often be done so as to bring more benefit to your library. This book draws on the author's decades of experience in public libraries and the nonprofit arena and on cutting-edge professional trends in volunteer management to show you how to tap into each of your volunteer's talents and match them to your library's needs. Providing multiple tactics for improving your library's volunteer program, the book covers redoubling your recruitment efforts to attract more volunteers, more logically assigning roles, and growing your relationships with volunteers. In addition, it addresses common problems with volunteers and potential barriers to success and explains how to overcome them. No matter what size your library, its volunteer staff, or its budget, this practical book will help you to streamline your volunteer program and more effectively engage the community to transform your library into a flourishing community center. *Resources in Education*, 1998-05 Amateurs in Public Service, 1999

Leadership Education, 1994-1995 Frank H. Freeman, Katherine B. Knott, Mary K. Schwartz, 1994 This is the fifth LEADERSHIP DEVELOPMENT TOOLS including instruments, exercises, simulations. LEADERSHIP BIBLIOGRAPHY containing annotated entries on almost 1000 books. FILMS RESOURCE PERSONS DIRECTORY containing information on 300 people who conduct research. RESOURCE ORGANIZATIONS DIRECTORY listing over 80 organizations with an interest in leadership education. CONFERENCE INDEX which includes both name and subject entries for the information included in the book. *The Volunteer Recruitment (and Membership Development) Book* Susan J. Ellis, 2002 The book first shows how to design the best assignments for volunteers as the initial step to recruit the most qualified people. It then discusses recruitment strategies including how your organization's image affects your success in recruitment and where to look for new volunteers including your own backyard. The final section addresses issues in membership development for all volunteer organizations including how to get current members off the rolls and on their feet. The 2002 Appendix updates Outreach in Cyberspace explaining the Internet as a powerful recruitment tool. Learn how to make your own agency's Web site attract applicants, utilize online
