

People criticizing Nosferatu for 'romanticizing abuse' don't seem to understand the essence of Gothic romance and literature. These stories aren't meant to make you feel comfortable or align with conventional morality. Gothic romance thrives in the tension between beauty and horror, weaving together the sublime and the grotesque to evoke emotions that are complex, raw, and hauntingly human. It's not about endorsing behavior—it's about exploring the darker corners of desire, fear, and the human condition. 💞💀

Love and the Woman Question in Victorian Literature Kathleen Blake, 1983 To love or to write This was the crucial question facing the major women writers of the last century The painful struggle between sexual relations and personal fulfillment as creative artists is constantly portrayed and re enacted in their fiction This book provides the first close analysis of the central struggle in the lives and writings of Victorian women authors It demonstrates the inadequacy of attitudes formed by twentieth century sexual liberation for an understanding of feminism in Victorian writing This study establishes a double tendency in Victorian feminism to favor love but equally to oppose it from a position of radical chastity This essential book at once articulates crucial feminist issues and also constitutes a major statement on the sources of female creativity
