

Readers Choice Fantasy Series

JG Myers

Readers Choice Fantasy Series:

Children's Reading Choices Martin Coles, Christine Hall, 2002-01-04 Children's Reading Choices discusses the reading habits of children aged between 10 and 14. The book reports the findings of the Children's Reading Choices project conducted by the authors from the University of Nottingham and the largest national survey of children's reading choices since the 1970s. The book includes reports and discussion on girls and boys reading preferences and the differences between their reading habits, the place of series books, teenage magazines and comics in children's reading, the most popular authors and titles at different ages, purchasing habits and library use.

Fantasy Adam Roberts, 2025-04-24 One of the most popular genres of modern times, fantasy literature has as rich a cultural and literary heritage as the magical worlds that so enrapture its readers. In this book, a concise history of the genre, Adam Roberts traces the central forms and influences on fantasy through the centuries to arrive at our understanding of the fantastic today. Pinning the evolution of fantasy on three key moments: the 19th-century resurgence of interest in Arthurian legend, the rise of Christian allegory and a post-Ossian post-Grimm emergence of a Norse-Germanic and Old English mythic identity, Roberts explores how the logic of the fantastical feeds through into the sets and trappings of modern fantasy. Tracking the creation of heroic and high fantasy subgenres through antiquarian tradition through C. S. Lewis and J. R. R. Tolkien and into the post-Tolkien boom in genre, fantasy writing, the book brings the manifestation of the fantastic beyond literature into art, music, film and TV, video games and other cultural productions such as fandoms. From Tennyson and Wagner through Robert Graves, David Jones, Samuel Delany, *Dungeons and Dragons*, Terry Pratchett and Robin Hobb to the *Game of Thrones*, *Skyrim*, *The Witcher* and *The Lord of the Rings* media franchises, the book digs into the global dissemination and diversity of 21st-century fantasy. Accessible and dynamic, wide-ranging but comprehensive, this is a crash course in context for the most imaginative form of storytelling.

Science

Fiction and Fantasy Series and Sequels: Books Tim Cottrill, Martin Harry Greenberg, Charles Gordon Waugh, 1986

Fantasy and Reconciliation Kay Mussell, 1984-04-10

SFWA's Choices for the Best Science Fiction and Fantasy of the Year James Morrow, 1993 The members of the Science Fiction Writers of America choose by ballot the best novel, novella, novelette and short story of the year. Nebula Awards 26 features works by such writers as Terry Bisson, Kathryn Cramer, Joe Haldeman, Ursula K. LeGuin and George Zebrowski.

North American Romance Writers Kay Mussell, Johanna Tuñón, 1999-03-25 In this work, Kay Mussell and Johanna Tuñón collect essays by contemporary North American romance authors who have come to prominence directly or indirectly as a result of the huge change in the field of romance writing which started in the early 1980s. New publishing houses began to compete with Harlequin and the North American romance novel came into its own as a genre. In their essays on their own work, each of the writers in this volume describes her own take on the romance novel today and how she has adapted the form to accommodate her own voice and concerns. Collectively, these writers have used the romance genre to address a broad range of social issues and problems. Presenting these essays

together provides a window into the creativity and originality of some of the best writers in the field

Fantasy Book Review Annual ,1991 **Choices** Carolyn Sherwood Flemming, Donna Schatt, 1983 **Science Fiction & St. James Guide to Fantasy Writers** David Pringle, 1996 Concise discussions of the lives and principal works of writers of various forms of fantasy including heroic fantasy sword and sorcery humorous fantasy adult fairy tales and fables and children s fantasies still popular with adults Written by subject experts **Fantasy** Wendy Mass, Stuart P.
