

A movie poster for 'South of Hope Street'. The background is a dark, green-tinted landscape with jagged, mountain-like silhouettes. In the foreground, four people are standing on a rocky, uneven surface. From left to right: a person with long hair and a beard, wearing a dark jacket and a patterned scarf; a person with blonde hair, wearing a dark coat; a person with dark hair, wearing a plaid shirt and dark pants; and a person with dark hair, wearing a dark jacket. The title 'SOUTH OF HOPE STREET' is written in large, white, sans-serif capital letters on the right side of the poster. The text is arranged in three lines: 'SOUTH' on the top line, 'OF' on the middle line, and 'HOPE STREET' on the bottom line. The overall mood is mysterious and dramatic.

Dystopias and Utopias on Earth and Beyond Douglas A. Vakoch,2021-04-29 Caught as we are in a grave climate crisis that seems more irreversible with every passing year our literary portrayals of the future often feature the dystopian collapse of the world as we know it Science fiction explores how we got here while pointing toward a more hopeful path forward From an ecofeminist perspective a core cause of our current ecological catastrophe is the patriarchal domination of nature playing out in parallel with the oppression of women As an alternative to dystopian futures that seem increasingly inevitable ecofeminist science fiction helps us conjure utopias that promote environmental sustainability based on more egalitarian human relationships Dystopias and Utopias on Earth and Beyond Feminist Ecocriticism of Science Fiction explores the fictional worlds of such canonical novelists as Margaret Atwood Octavia Butler Ursula K Le Guin Doris Lessing and Joan Slonczewski as well as those of lesser known science fiction writers as they collectively probe humanity's greatest existential threats Contributors from five continents provide compelling analyses of far future dystopias on Earth that are all too easy to imagine becoming reality if humankind's current trajectory continues as well as provocative insights into science fiction utopias set on idyllic planets orbiting distant stars which offer liberatory alternatives that might someday be actualized in the real world By examining the links between the destruction of the environment and the domination of women Dystopias and Utopias on Earth and Beyond provides the tools to counteract those intertwined oppressions helping create a foundation for a truly habitable world

Contemporary Dystopian Fiction for Young Adults Balaka Basu,Katherine R. Broad,Carrie Hintz,2013-05-02 Winner of the Children's Literature Association Edited Book Award From the jaded wired teenagers of M T Anderson's Feed to the spirited young rebels of Suzanne Collins The Hunger Games trilogy the protagonists of Young Adult dystopias are introducing a new generation of readers to the pleasures and challenges of dystopian imaginings As the dark universes of YA dystopias continue to flood the market Contemporary Dystopian Fiction for Young Adults Brave New Teenagers offers a critical evaluation of the literary and political potentials of this widespread publishing phenomenon With its capacity to frighten and warn dystopian

writing powerfully engages with our pressing global concerns liberty and self determination environmental destruction and looming catastrophe questions of identity and justice and the increasingly fragile boundaries between technology and the self When directed at young readers these dystopian warnings are distilled into exciting adventures with gripping plots and accessible messages that may have the potential to motivate a generation on the cusp of adulthood This collection enacts a lively debate about the goals and efficacy of YA dystopias with three major areas of contention do these texts reinscribe an old didacticism or offer an exciting new frontier in children s literature Do their political critiques represent conservative or radical ideologies And finally are these novels high minded attempts to educate the young or simply bids to cash in on a formula for commercial success This collection represents a prismatic and evolving understanding of the genre illuminating its relevance to children s literature and our wider culture

Uprising Kate L. Mary, 2021-07-16 I stood by and let it happen for too long but I will not do it anymore I will not be the person who watches others get hurt and does nothing to stop it Not anymore Returning to Sovereign City after everything that was stolen from her is something Indra never thought she would do Despite the scars she wears both inside and out left there at the hands of the Sovereign and the Fortis she is determined to save her people from oppression even if it means putting her own safety at risk But it isn t long before she once again finds her world shattering around her As the dust settles Indra manages to find strength among the ruins and she sets out on a quest to unite the four Outlier tribes hoping to take their enemies down once and for all An emotional second book in an exciting dystopian series perfect for fans of The Hunger Games and The Handmaid s Tale

The War of the Worlds Peter J. Simak, 2015-07-21 This award winning science fiction classic explores a far future world inhabited by intelligent canines who pass down the tales of their human forefathers Thousands of years have passed since humankind abandoned the city first for the countryside then for the stars and ultimately for oblivion

leaving their most loyal animal companions alone on Earth Granted the power of speech centuries earlier by the revered Bruce Webster the intelligent pacifist dogs are the last keepers of human history raising their pups with bedtime stories passed down through generations of the lost websters who gave them so much but will never return With the aid of Jenkins an ageless service robot the dogs live in a world of harmony and peace But they now face serious threats from their own and other dimensions perhaps the most dangerous of all being the reawakened remnants of a warlike race called Man In the Golden Age of Isaac Asimov and Robert A Heinlein Clifford D Simak s writing blazed as brightly as anyone s in the science fiction firmament Winner of the International Fantasy Award City is a magnificent literary metropolis filled with an astonishing array of interlinked stories and structures at once dystopian transcendent compassionate and visionary

British Fantasy and Science-fiction Writers Since 1960 Darren Harris-Fain,2002 Essays on British writers of fantasy and science fiction discuss the changing attitudes towards this genre including serious consideration by critics Covers the publication of science fiction in comic books limited productions of publications by fan presses the difference between British and American science fiction the birth of the New Wave and the revival of horror fiction as a distinct genre **Science Fiction, Canonization, Marginalization, and the Academy** Gary Westfahl,George Slusser,2002-01-30 Science fiction occupies a peculiar place in the academic study of literature At a time when the canon is being consciously expanded and diversified and when there is growing scholarly interest in technology and popular culture works of science fiction are nonetheless marginalized by the academy So too many works of science fiction engage recognized canonical texts such as the Odyssey yet traditionalists within the academy have largely shunned the serious study of science fiction In this book expert contributors examine the traditional and continuing tendency to exclude science fiction from the literary canon In exploring this topic the book addresses many broader issues such as the nature of canon formation the role of journals in legitimizing academic inquiry and the cultural politics of academic gatekeeping **Science-fiction Studies** ,2006 **The Rough Guide to Sci-fi Movies** John Scalzi,2005 This guide explores cinema s fascination with space exploration time travel and fantastical worlds and tells the stories behind the movies that have been expanding our universe since film began **Time machine: Utopia or Science Fiction** Kristijan Zrinski,2013-06-26 Seminar paper from the year 2012 in the subject Didactics for the subject English Literature Works grade 3 0 University of Trier language English abstract This term paper deals with the question which literary genre does The Time Machine by H G Wells fits best into Should it be seen as a dystopian novel or should it be rather classified as a science fictional one and why is it so hard to classify As the novel shows characteristics for either genres the novel has to be analysed accurately In order do so and find an answer to the main question I will point out and examine relevant passages in the text which will help classifying Wells work Therefore it is essential to first of all define both literary genres These definitions are to include the origin of the genre main characteristics as well as appropriate background information As already mentioned the definitions will be followed by an in depth analysis

of significant text passages Finally my conclusion is intended to sum up the most important findings and aims to present a classification based on the analysis in the main part
