**Fidel and Che** Simon Reid-Henry, 2011-01-15 Che Guevara has been dead for more than forty years and long ago renounced by Fidel Castro and yet they are forever linked their coming to prominence together captivated a generation For many their romantic struggle for freedom still resonates for others they simply represent the last of a dying breed of rebel warriors Yet while much has been written about them both surprisingly little is known about their personalities and even less about the 12 years of their unique and highly consequential relationship during which they linked arms in one of the world's greatest revolutionary movements Fidel and Che follows them on their dramatic journey from the safe houses of Mexico's political underground in the 1950s where they began hatching their plan for revolution to the theatre of war in the Cuban mountains to the paneled offices of a new government the Bay of Pigs and Cuban Missile crises

happened on their watch and to the eventual rupture of their friendship as Che left Cuba to pursue his revolutionary dreams only to be assassinated by the CIA in 1966 Reid Henry also reveals the more personal world of their inner lives as friends husbands lovers fathers What began as an association of convenience became the most profound relationship of their lives It shaped their political ambitions and their personal attitudes compelling them further than either had previously dared imagine But if their times inspired a revolutionary friendship they also destroyed it for the tragic irony was that the more historical circumstance bound them together the more personal ambitions pulled them apart At a momentous turning point in Cuban history Simon Reid Henry has crafted a fascinating and original chronicle of two of the most powerful personalities in recent memory [Celia Sánchez](#) Richard Haney, John Van Houten Dippel, 2005 Table of contents available via the World Wide Web **Che** Fidel Castro, 2006 Castro's own description of the historic political partnership that changed the face of Cuba and Latin America He vividly portrays Che the man the revolutionary and the thinker recounting in detail his last days with Che in Cuba and giving a frank assessment of the Bolivian mission **Che** Jon Lee Anderson, 2018-11-13 A remarkable accomplishment one that belongs next to such works of graphical history as the March series and Shigeru Mizuki's Showa books By foregrounding the tension between myth and truth Che illuminates the present state of our politics as well as the past NPR The graphic adaptation of the groundbreaking and definitive biography of Che Guevara Che Guevara's legend is unmatched in the modern world Since his assassination in 1967 at the age of thirty nine the Argentine revolutionary has become an internationally recognized icon as revered as he is controversial As a Marxist ideologue who sought to end global inequality by bringing down the American capitalist empire through armed guerrilla warfare Che has few rivals in the Cold War era as an apostle of revolutionary change In Che A Revolutionary Life Jon Lee Anderson and Jos Hernández present the man behind the myth creating a complex and human portrait of this passionate idealist Adapted from Jon Lee Anderson's definitive masterwork Che vividly transports us from young Ernesto's medical school days as a sensitive asthmatic to the battlefields of the Cuban revolution from his place of power alongside Castro to his disastrous sojourn in the Congo and his violent end in Bolivia Through renowned Mexican artist Jos Hernández's drawings we feel the bullets wing past the head of the young rebel in Cuba we smell the thick smoke of his and Castro's cigars and scrutinize his proud face as he's called Comandante for the first time With astonishing precision color and drama Anderson and Hernández's Che makes us a witness to the revolutionary life and times of Che Guevara **Exposing the Real Che Guevara** Humberto Fontova, 2007-04-19 A debunking of liberal myths about one of the most bloodthirsty icons of the twentieth century Hollywood Madison Avenue and the mainstream media celebrate Ernesto Che Guevara as a saint a sex symbol and a selfless martyr But their ideas about Che whose face adorns countless T-shirts and posters are based on the lies of Fidel Castro's murderous dictatorship Che's hipster fans are classic useful idiots the name Stalin gave to foolish Westerners who parroted his lies about communism And their numbers only increased after a new biopic was released starring Benicio Del Toro But as Humberto Fontova reveals in this

myth shattering book Che was actually a bloodthirsty executioner a military bumbler a coward and a hypocrite In fact Che can be called the godfather of modern terrorism Fontova reveals How he longed to destroy New York City with nuclear missiles How he persecuted gays blacks and religious people How he loved material wealth and private luxuries despite his image as an ascetic Are Che fans like Angelina Jolie Jesse Jackson Carlos Santana and Johnny Depp too ignorant to realize they ve been duped Or too anti American to care *Che Guevara Talks to Young People* Che Guevara,2000 Eight speeches the legendary Cuban guerilla fighter delivered between 1959 and 1964 to such groups as the First Latin American Youth Congress international volunteer work brigades and the Ministry of Industry seminar on Youth and the Revolution Closing the collection is a 1997 tribute by Fidel Castro Profiles of people and organizations a list of suggested reading photos and an index support the transcripts c Book News Inc *Iconic Mexico* Eric Zolov,2015-08-26 Going far beyond basic historical information this two volume work examines the deep roots of Mexican culture and their meaning to modern Mexico In this book readers will find rich in depth treatments by renowned as well as up and coming scholars on the most iconic people places social movements and cultural manifestations including food dress film and music that have given shape and meaning to modern Mexico and its people Presenting authoritative information written by scholars in a format that is easily accessible to general audiences this book serves as a useful and thorough reference tool for all readers This work combines extensive historical treatment accompanied by illuminating and fresh analysis that will appeal to readers of all levels from those just exploring the concept of Mexico to those already familiar with Mexico and Latin America Each entry functions as a portal into Mexican history culture and politics while also showing how cultural phenomena have transformed over the years and continue to resonate into today **Che Guevara** Stuart A. **Cuba Libre!** Tony Perrottet,2019-01-22 The surprising story of Che Guevara Fidel Castro and the scrappy band of rebel men and women who followed them Most people are familiar with the basics of the Cuban Revolution of 1956 1959 it was led by two of the twentieth century s most charismatic figures Fidel Castro and Che Guevara it successfully overthrew the island nation s US backed dictator and it quickly went awry under Fidel s rule But less is remembered about the amateur nature of the movement or the lives of its players In this wildly entertaining and meticulously researched account historian and journalist Tony Perrottet unravels the human drama behind history s most improbable revolution a scruffy handful of self taught revolutionaries many of them kids just out of college literature majors and art students and including a number of extraordinary women who defeated 40 000 professional soldiers to overthrow the dictatorship of Fulgencio Batista Cuba Libre s deep dive into the revolution reveals fascinating details How did Fidel s highly organized lover Celia S nchez whip the male guerrillas into shape Who were the two dozen American volunteers who joined the Cuban rebels How do you make land mines from condensed milk cans or for that matter cook chorizo la guerrilla sausage guerrilla style Cuba Libre is an absorbing look back at a liberation movement that captured the world s imagination with its spectacular drama foolhardy bravery tragedy and sometimes high comedy and that set the stage for Cold War tensions that pushed the world to the brink of nuclear war

Castañeda,1998-10-27 By the time he was killed in the jungles of Bolivia where his body was displayed like a deposed Christ Ernesto Che Guevara had become a synonym for revolution everywhere from Cuba to the barricades of Paris This extraordinary biography peels aside the veil of the Guevara legend to reveal the charismatic restless man behind it Drawing on archival materials from three continents and on interviews with Guevara s family and associates Castaneda follows Che from his childhood in the Argentine middle class through the years of pilgrimage that turned him into

a committed revolutionary He examines Guevara s complex relationship with Fidel Castro and analyzes the flaws of character that compelled him to leave Cuba and expend his energies and ultimately his life in quixotic adventures in the Congo and Bolivia A masterpiece of scholarship *Companero* is the definitive portrait of a figure who continues to fascinate and inspire the world over *Che: the Making of a Legend* Martin Ebon,1969 *I Embrace You with All My Revolutionary Fervor* Ernesto Che Guevara,2021-10-19 The first ever edition of Che Guevara s letters the vast majority never before published in English in any form Ernesto Che Guevara was a voyager and thus a letter writer for his entire adult life The letters collected in *I Embrace You with All My Revolutionary Fervor* Letters 1947 1967 range from letters home during his Motorcycle Diaries trip to the long letter to Fidel after the success of the Cuban revolution in early 1959 from which the book s title comes from the most personal to the intensely political revealing someone who not only thought deeply about everything he encountered but for whom the process of social transformation was a constant companion from his youth until shortly before his death His letters give us Che the son the friend the lover the guerrilla fighter the political leader the philosopher the poet Che in these letters is often playful funny sometimes sarcastic and deeply affectionate His life was short and these twenty years from when he was 19 until days before his death show it was also incredibly rich and full As his daughter Aleida Guevara also a doctor like her father writes When you write a speech you pay attention to the language the punctuation and so on But in a letter to a friend or a member of your family you don t worry about those things It is you speaking in your authentic voice That s what I like about these letters they show who Che really was and how he thought This is the true political testimony of my father
