An Intergenerational Feminist Media Studies Jessalynn Keller,Jo Littler,Alison Winch,2019-10-23 Feminism and generation are live and ideologically freighted issues that are subject to a substantial amount of media engagement The figure of the millennial and the baby boomer for example regularly circulate in mainstream media often accompanied by hyperbolic and vitriolic discourses and effects of intergenerational feminist conflict In addition theories of feminist generation and waves have been and continue to be extensively critiqued within feminist theory Given the compelling criticisms directed at these categories we ask why bother examining and foregrounding issues of generation intergeneration and transgeneration in feminist media studies While remaining skeptical of linearity and familial metaphors and of repeating reductive heteronormative and racist versions of feminist movements we believe that the concept of generation does have critical purchase for feminist media scholars Indeed precisely because of the problematic ways in which it is used and its prevalence as a volatile yet only too palpable organizing category generation is in need of continual critical analysis and is an important tool to be used with care and nuance when examining the multiple routes through which power functions in order to marginalize reward and oppress This book covers a range of media forms film games digital media television print media and practices of media production intervention and representation The contributors explore how figures at particular stages of life particularly the girl and the aging woman are constructed relationally and circulate within media with particular attention to sexuality The book emphasizes exploring the ways in which the category of generation is

mobilized in order to gloss sexism racism ageism class oppression and the effects of neoliberalism The chapters in this book were originally published as a special issue of Feminist Media Studies *Grey* E L James,2015-06-18 E L James revisits the world of *Fifty Shades* with a deeper and darker take on the love story that has enthralled millions of readers around the globe I ve never felt this desire this hunger before It s a new feeling new and shiny I want so much from her her trust her obedience her submission I want her to be mine but right now I m hers Christian Grey exercises control in all things his world is neat disciplined and utterly empty until the day that Anastasia Steele falls into his office in a tangle of shapely limbs and tumbling brown hair He tries to forget her but instead is swept up in a storm of emotion he cannot comprehend and cannot resist Unlike any woman he has known before shy unworldly Ana seems to see right through him past the business prodigy and the penthouse lifestyle to Christian s cold wounded heart Will being with Ana dispel the horrors of his childhood that haunt Christian every night Or will his dark sexual desires his compulsion to control and the self loathing that fills his soul drive this girl away and destroy the fragile hope she offers him Discover the world of *Fifty Shades of Grey* An Instant 1 New York Times Bestseller More than 165 Million Copies Sold Worldwide One of 100 Great Reads in the Great American Read 133 Weeks on the New York Times Bestseller List This book is intended for mature audiences *Fifty Shades Darker* E L James,2012-06-26 MORE THAN 150 MILLION COPIES SOLD WORLDWIDE Look for E L James s passionate new love story *The Mister* available now Daunted by the singular tastes and dark secrets of the beautiful tormented young entrepreneur Christian Grey Anastasia Steele has broken off their relationship to start a new career with a Seattle publishing house But desire for Christian still dominates her every waking thought and when he proposes a new arrangement Anastasia cannot resist They rekindle their searing sensual affair and Anastasia learns more about the harrowing past of her damaged driven and demanding *Fifty Shades* While Christian wrestles with his inner demons Anastasia must confront the anger and envy of the women who came before her and make the most important decision of her life This book is intended for mature audiences

Adaptations in the Franchise Era Kyle Meikle,2019-01-24 Adaptations in the Franchise Era re evaluates adaptation s place in a popular culture marked by the movement of content and audiences across more media borders than ever before While adaptation has historically been understood as the transfer of stories from one medium to another more often than not from novel to film the growing interconnectedness of media and media industries in the early twenty first century raises new questions about the form and function of adaptation as both a product and a process Where does adaptation fit within massive franchises that span pages stages screens and theme parks Rising scholar Kyle Meikle illuminates adaptation s enduring and essential role in the rise of franchises in the 2000s and 2010s During that decade and a half adaptations set the foundation for multiplexed multiplied film series piloted streaming television s forays into original programming found their way into audiences hands in apps and video games and went live in theatrical experiences on Broadway and beyond The proliferation of adaptations was matched only by a proliferation of adaptation as fans remixed and remade their favourite

franchises online and off This volume considers how producers and consumers defined adaptations and how adaptations defined themselves through the endless intertextual play of the franchise era *Darker* E L James,2017-11-28 Pre order
