Fields Of The Fatherless Discover The Joy Of Compassionate Living:

Fields of the Fatherless Tom Davis, 2010-01-01 In Bible times God maintained a special provision for the less fortunate As His people harvested their fields they were instructed to always leave a portion of the crops for those in need Today God s heart continues to beat for the poor the widows and the fatherless And as His children our divine commission remains the same a directive that s nothing less than the heart of the Christian message Author Tom Davis encourages us to move beyond words and become Christ to those in need Join Tom as he shares a journey from around the world and our own backyard as people s lives are changed through the power of compassion Filled with remarkable stories of hope and mercy Fields of the Fatherless will inspire you to love the least of these and discover the joy found in becoming the hands and feet of Christ His way

Fields of the Fatherless C. Thomas Davis, 2002-08 Think of this little bok as a map that leads to a field filled with treasure The treasure is the truth about what brings joy to God s heart and can bring great joy to yours too Unfortunately many Christians today aren t experiencing the kind of fulfillment and joy they long for in their walk with God With compassion and insight Davis shows you how to reach out to a special group of people who are most in need and who the Bible reveals are most on God s heart Starting now you can know the kind of purpose and joy that comes when you work side by side with God in His favorite fields

Growing God's Family Samuel L. Perry, 2017-06-13 Illustrates the hidden challenges embedded within the evangelical adoption movement For over a decade prominent leaders and organizations among American Evangelicals have spent a substantial amount of time and money in an effort to address what they believe to be the Orphan Crisis of the United States Yet despite an expansive commitment of resources there is no reliable evidence that these efforts have been successful Adoptions are declining across the board and both foster parenting and foster adoptions remain steady Why have evangelical mobilization efforts been so ineffective To answer this question Samuel L Perry draws on interviews with over 220 movement leaders and grassroots families as well as national data on adoption and fostering to show that the problem goes beyond orphan care Perry argues that evangelical social engagement is fundamentally self limiting and difficult to sustain because their subcultural commitments lock them into an approach that does not work on a practical level Growing God s Family ultimately reveals this peculiar irony within American evangelicalism by exposing how certain aspects of the evangelical subculture may stimulate activism to address social problems even while these same subcultural characteristics undermine their own strategic effectiveness It provides the most recent analysis of dominant elements within the evangelical subculture and how that subculture shapes the engagement strategies of evangelicals as a group
