Fifty Health Scares That Fizzled Fifty Health Scares That Fizzled:

50 Health Scares That Fizzled Joan R. Callahan, 2011-05-25 This engaging nontechnical book discusses 50 health scares that captured the public's attention before fading away covering real and perceived health threats from long ago eras to present times Despite the benefits of advanced technology and modern safety mechanisms the world around us seems to grow ever more dangerous and fraught with hidden risks Even in the information age it is challenging to discern factual scientific information from sensationalized accounts in the media urban legends or unsubstantiated Internet lore In **50 Health Scares That Fizzled** award winning author and researcher Joan R Callahan examines 50 health scares in 7 distinct categories medical interventions infectious diseases food scares additives in foods or beverages other biological hazards chemical or radiological exposures and lifestyle choices With great wit and a light tone Dr Callahan alleviates readers concerns and deftly explains the complex issues making the subject matter approachable

Food and World Culture Linda S. Watts, Kelty Clark-Mahoney, 2022-08-23 This book uses food as a lens through which to explore important matters of society and culture In exploring why and how people eat around the globe the text focuses on issues of health conflict struggle contest inequality and power Whether because of its necessity pleasure or ubiquity the world of food and its lore proves endlessly fascinating to most people The story of food is a narrative filled with both human striving and human suffering However many of today's diners are only dimly aware of the human price exacted for that comforting distance from the lived world realities of food justice struggles With attention to food issues ranging from local farming practices to global supply chains this book examines how food's history and geography remain inextricably linked to sociopolitical experiences of trauma connected with globalization such as colonization conquest enslavement and oppression The main text is structured alphabetically around a set of 70 ingredients from almonds to yeast Each ingredient's story is accompanied by recipes Along with the food profiles the encyclopedia features sidebars These are short discussions of topics of interest related to food including automats diners victory gardens and food at world's fairs This project also brings a social justice perspective to its content weighing debates concerning food access equity insecurity and politics
