a high IQ is great but what about your Emotional Quotient EQ In this book we will examine why emotional intelligence is needed to live a full healthy life It does not really matter what your vocation or craft is Emotional Intelligence is a skill that translates in all spheres of life But knowing what EQ is and knowing how to use it to improve your life are two very different things During the course of this book we will take a brief look at the current knowledge surrounding the subject before exploring how you can vastly improve your own emotional intelligence with a series of examples and practical exercises Going through these pages you will learn How emotional intelligence can help you make a positive impact both at work and in your personal life How to improve your EQ in everyday environments How to influence others and get what you want without looking like a manipulative person Which are the core emotions and learn how to read other people How to build meaningful and lasting relationships based on mutual respect empathy and trust And these are only a few of the topics Knowing yourself and mastering your emotions takes a lifetime The return of investment however to put it mildly will be priceless Are you ready to positively change your life If so the only step missing is your action WHAT ARE YOU WAITING FOR CLICK THE BUY NOW BUTTON

Emotional Intelligence Michael Freeman, 2019-06-14 You can be healthier and happier if you can know the strategies to regulate your emotions There is an alarming rate of emotional problems in the world People are getting richer but they are less happy So many emotional problems are increasing day by day such as depression suicide relationship breakdowns addictions fear of closeness loneliness all these are clear evidences and if you don't know how to handle your emotions life becomes a pressure instead of pleasure A research was carried out by many American and European universities and it was proven that the common intelligence responses account for less than 20% of our life achievements and successes while the balance 80% depends on emotional intelligence In other words you are either emotionally intelligent or at best you live a mediocrity life It is no secret that emotional intelligence is the most sought after component of an individual's personal professional and social success Emotional intelligence is not a divine or natural gift but it is a skill that can be learned through consistent practice and training Therefore among other things you will learn in this book include What is emotional intelligence and what does it consist of How to release negative emotions and cultivate the positive ones Practical and proven strategies for mastering your emotions Secrets of building rewarding social relationships What makes an individual an emotionally intelligent person How to free yourself from other people's opinions and judgments Managing the feelings of your partner Developing emotional intelligence skills for leadership career success Much much more There is no point wasting time Click the Buy Button and add this book to your shelf and live into the world of human psychology and behavior

Psychological Abstracts Walter Samuel Hunter, 1929 [Emotional Intelligence](#) David Clark, 2018-04-25 Would you like to have greater success in your professional life Would you like to increase your chances of rising to a leadership position at work Would you like to enjoy more rewarding and fulfilling interpersonal relationships Do you want to navigate more confidently through social settings Do you want to be able to manage your and other people's

emotions more effectively According to research Emotional Intelligence EQ or quotient is far more important than ones intelligence quotient or technical abilities when it comes to determining a person s overall success in life Emotional intelligence directly impacts the way we formulate personal decisions the way we manage behavior and our ability to maneuver through social complexities The great thing is emotional intelligence is something that everybody is able to develop with time This guide will provide you with all the essential knowledge needed to improve your EQ Here are some topics that will be covered in this book The art of releasing destructive emotions and replacing them with positive ones Restructuring and reframing negative thoughts using NLP techniques Proven strategies for managing internal emotional conflicts Tried and tested tips for dealing with the past and forgiving people Effective strategies for making your internal dialogue more positive Using perceptual positions for increasing emotional intelligence And much more So what are you waiting for Grab your copy today and dive into the world of human psychology and behavior

Emotional Intelligence: The Complete Psychologist's Guide to Mastering Social Skills (A Step-by-step Guide for Beginners to Increase Eq Skills) Daniel Templeton, 2021-11-03 You might picture someone who never lets his temper get out of control no matter what problems he s facing Or you might think of someone who has the complete trust of her staff listens to her team is easy to talk to and always makes careful informed decisions These are qualities of someone with a high degree of emotional intelligence You discover the happiness you seek with chapters covering How to start thinking positively Managing emotions and anxiety Improving confidence to help you deal with everyday challenges Developing positive relationships How to influence people around you Verbal and non verbal ways of communicating Being kind to yourself first Celebrating small victories in life The modern world is becoming more and more fast paced thereby sapping and draining And the resultant demand to keep up makes it difficult to avoid automatic body and brain responses like overthinking and stress It s also more difficult to keep our brains on top gear to handle problems efficiently and as a result we often find ourselves performing less and less than our ability and have a hard time maintaining healthy relationships
