Burdick has written a gem of a book on mindfulness As a guide for clinicians the book has everything no nonsense clear style plenty of background info tie ins with research excellent illustrations and plenty of original experiential tools for introducing mindfulness and leveraging motivation and compliance This is the kind of resource on mindfulness that you are not just going to skim through you are going to copy and dog ear and share this book with your colleagues and your clients This just might be the last guide to teaching mindfulness that you buy Pavel Somov Ph D author of Present Perfect Reinventing the Meal and Anger Management Jumpstart Mindfulness Workbook For Anxiety Rachel Stone, 2024-05-05

How many times have we been encouraged to see the cup half full instead of half empty Oftentimes in western society the push to be optimistic and to think positive is drilled into us from a young age However if one is beginning to become more mindful the transition to mindfulness may feel a little jarring Instead of focusing just on the positive aspect of life mindfulness encourages a realistic outlook on life that embraces the good and the bad the positive the negative and the neutral And this is where our book begins starting off by learning about this effective way of living that has been used successfully for centuries Mindfulness meditation is all about using your thoughts to be present in the moment and crafting the world that you want to live in This type of meditation has been shown to have extraordinary effects on your life from your mental to physical health This book will show you how to tap into the beautiful power of mindfulness meditation no matter if you are an expert or not In this book you will learn Unexpected benefits of mindfulness on your body and mind A selection of mindfulness models to help improve your anxiety How to start your mindfulness meditation practice as a complete beginner Practical tips about identifying your anxiety inducing triggers Exercises that will help you get started meditation from scratch Useful materials to help you deal with various anxieties such as day to day anxiety social and test anxiety OCD and trauma recovery Mindfulness Workbook For Anxiety A Guide To Stress Relief and Anxiety Reduction With The Help of Daily Meditation will more than prepare you to begin your journey into mindfulness and meditation It will help you shape your reality by taking the time to know your mind

Once you know your mind you will be able to train it and ultimately free it from negative debilitating thinking Mindfulness allows you to know your thoughts instead of trying to change them Before you begin your mindfulness meditation practice know that it is not going to be easy It will be a journey but if you are dedicated you will see a difference in your life This book will guide to achieving the ultimate goal of mindfulness to know your mind Once you begin to know your mind you can begin the next step which is to train it to help you deal with your anxiety issues and finally find the solutions you are looking for
