Them In The Face Or The decisions you make and the things you do are all connected to your feelings and emotions This  
book will help you master your emotions so you can become happier and more successful in every facet of your life How you  
handle your emotions as well as how you react to the emotions of others has a significant effect on the direction of your life  
Increasing your emotional intelligence will not only give you the ability to manage your emotions it will give you the power to  
use them in productive ways Having someone yelling in your face is no fun emotions can run high and be hard to tame This is  
where emotional intelligence comes in As you start to master and understand your feelings and emotions you will find that  
it gets easier to be able to stop and think before you act or react Having a high level of emotional intelligence will help you  
calmly defuse tense situations and formulate a plan to create a positive outcome for everyone involved should you yell back  
should you empathize with them because of their frustrations should you punch them in the face out of anger or should you  
rely on emotional intelligence for the answer Disclaimer I am sure this is obvious but punching someone in the face should  
NOT be part of your emotional intelligence toolkit Any kind of violent behavior is NOT recommended and may result in  
serious repercussions It is important to always keep in mind emotional intelligence can make the difference between
