Leadership Skills Bernard M. Baruch College. Human Services Management Project,1980 Effective Leadership Skills Chris Fife,2014-02-08 Leadership is one of the most important skills in life today We all face leadership situations in our lives and unfortunately many of us are not ready for them We are leaders when we become parents to our children we are leaders many times at our jobs we sometimes become leaders at our churches at our communities and among our friends If we shy away from our responsibilities as leaders it only hurts us and those around us It is critical that we are able to learn to be able to master leadership skills in order to be able to face the challenges of our lives Children need leadership training more today than at any other time in history so that they can deal with the challenges 21st century It is the lack of leadership skills that has lead to violence in schools unqualified workers and children unprepared for the real world Most children lack basic
