**Making an Impact on Mental Health** James N. Kirby, Paul Gilbert, 2020-09-22 Advancements in research in psychological science have afforded great insights into how our minds work Making an Impact on Mental Health analyses contemporary international research to examine a number of core themes in mental health such as mindfulness and attachment and provides an understanding of the sources of mentally ill health and strategies for remediation The originality of this work is the embedding of psychological science in an evolutionary approach Each chapter discusses the context of a specific research project looking at the methodological and practical challenges how the results have been interpreted and communicated the impact and legacy of the research and the lessons learnt As a whole the book looks at how social environments shape who we are and how we form relationships with others which can be detrimental but equally a source of flourishing and well being Covering a range of themes conducive to understanding and facilitating improved mental health Making an Impact on Mental Health is invaluable reading for advanced students in clinical psychology and professionals in the mental health field

**Personal Development for Beginners & Dummies** Giovanni Rigters, Ever since people began to realize the true meaning of happiness peace satisfaction and success they have constantly been in pursuit of it Despite countless disasters people have crafted ingenious ways to improve the quality of their lives When it comes to achieving a feeling of inner peace people often feel lost Despite groundbreaking improvements in science psychology neuroscience and other useful resources to learn from people tend to feel buried under the weight of their expectations Why does this happen And why is it such a common phenomenon It s because you are constantly evolving and if you don t change you get stuck In turn this keeps you from being able to improve and achieve greater things in life The first step is to acknowledge that you are growing and changing Now is the time for you to take control evaluate your goals values and desires and work towards accomplishing them by playing to your strengths and addressing your weaknesses
