History and Theory of Compromise Jan-Hendryk de Boer,Manon Westphal,Julia Mariko Jacoby,Karsten Mause,Stefan Zeppenfeld,2025-11-17 Interest in compromise has recently grown both in public and scholarly debates However there is a lack of interdisciplinary dialogue on the topic This volume fills this gap by bringing together contributions from various relevant disciplines They show that compromise has been a central technique to regulate social and political conflicts in different contexts In a compromise the conflicting parties create an agreement by making mutual concessions but do not give up their original claims Therein lies the capacity of compromise to prevent or end escalated conflicts even in situations in which disagreements cannot be transformed into a consensus In addition to theoretical investigations of the concept the volume includes case studies on Europe in the Middle Ages in the 19th and 20th centuries and on pre modern and contemporary Japan The overarching question is about the preconditions of compromises The authors examine the role of compromise in diplomacy politics trade economics and everyday life Together they generate a comprehensive picture of the capacities and limitations of compromise in the past and today **CTRL HATE DELETE** Cécile Simmons,2025-03-18 How did Johnny Depp and Amber Heard s divorce become the centre of the anti MeToo backlash Why have so many teen boys fallen under the thrall of Andrew Tate a failed reality show contestant And why are a growing number of influencers like tradwives dressing up like 1950s housewives and preaching total subservience to men In the years since MeToo the largest

social media facilitated feminist campaign in history Roe v Wade has been overturned in the United States there have been attacks on reproductive rights in multiple countries and female political leaders have withdrawn from the world stage citing the level of abuse they get as a reason CTRL HATE DELETE takes a deep dive into how a collection of misogynists and their allies have turned male supremacist ideology from a niche set of beliefs into a mainstream movement With interviews from experts influencers and activists it outlines how to fight the rising tide of online misogyny and make online spaces more equal and inclusive Index to Current Urban Documents ,1990 *Integrity of Scientific Research* Joel Faintuch,Salomão Faintuch,2022-10-13 This book provides a scientific and ethical approach to all forms of fraud and misconduct focusing on a scholarly however practice oriented description of the problems roots and potential solutions Organized in dedicated parts an international team of experts systematically analyzes the most prevalent forms of misconduct ghost writing pseudo science dubious trials predatory journals fake news mistreatment and harassment in research publications at academic institutions and in the professional and healthcare environment A special focus is given to corrective interventions and the role of prevention education and training Comprehensive in its scope the book offers an easy to read overview along with a number of real cases for experienced and novice personnel alike The significance of scientific integrity and research ethics increased during the last couple of years and ethic committees and offices have become an integral part at universities hospitals research institutions government agencies and major private organizations all over the world Thus this book provides an indispensable comprehensive overview across disciplines and for everybody working in research and affiliated institutions Chapter 37 is available open access under a Creative Commons Attribution 4 0 International License via link springer com
