Connors, 2011 A sci fi noir novel set in a dystopian future about a man with nothing left to lose in a world on the edge of madness Descendants of Power P N Shafa, 2021-01-31 When the 1% flees a climate ravaged Earth for a luxury Martian colony will the survivors left behind build a new utopia or collapse into post apocalyptic chaos Earth has devolved into corporate feudalism The mega corporation NewOrigin promises a quick escape from an Earth made uninhabitable by global warming and a fresh start on their new Martian colony But when a whistleblower reveals that the colony has the capacity to hold only a tiny fraction of the Earth s population the ultra elite stampede for a standing spot near the bathroom on the last shuttle to Mars There is Liam and his daughter Jemima distant

relatives of the CEO of NewOrigin who battle against Earth's remaining billionaires in a race to the Skylift shuttle minutes before its last launch. Then there is Finbar, an establishment loyalist working at one of the largest social media networks on Earth. If she just keeps her head down and ignores the rioters outside her contract, promises her a golden ticket to Mars. But does the new colony really offer salvation? NewOrigin's rule becomes increasingly authoritarian in the struggle to control an overflowing population. Florentine, the once tech billionaire, finds himself a member of the overstuffed colony's burgeoning underclass. In a world of only the powerful who will dominate, who will revolt, and who will be left when the dust clears, Earth and Mars evolve in parallel over the next one hundred years. One society runs from its mistakes while the other must meet them head on. When Tsunami, the great granddaughter of the once mighty NewOrigin CEO, flees Mars to beg political asylum on Earth, old resentments must be confronted in a planetary wide precedent setting immigration hearing. Descendants of Power is darkly comedic science fiction at its best, merging rising fears of climate apocalypse with dreams of Martian colonization as it strives to answer the question: can we outrun our own human nature.

When the Sleeper Wakes H. G. Wells, 2022-09-02. The Sleeper Awakes is a dystopian science fiction novel about a man who sleeps for two hundred and three years, waking up in a completely transformed London where, because of compound interest on his bank accounts, he has become the richest man in the world. The main character awakes to see his dreams realized and the future revealed to him in all its horrors and malformities.

Herbert George Wells (1866-1946), known as H. G. Wells, was a prolific English writer in many genres, including the novel, history, politics, and social commentary, and textbooks and rules for war games.

When the Sleeper Wakes H. G. Wells, 2022-06-13. In When the Sleeper Wakes, H. G. Wells crafts a compelling narrative that explores themes of social inequality, technological advancement, and the consequences of human choice in a dystopian future. Written in the fin de siècle period, the novel employs a speculative fiction style reflecting the anxieties and hopes of a rapidly changing society. Through the journey of Graham, an everyman who awakens from a long sleep to find the world drastically transformed, Wells critiques the capitalist society of his time, foreseeing a future plagued by oppression and corporate dominance while simultaneously exploring notions of revolution and human agency.

H. G. Wells, a pivotal figure in science fiction, was deeply influenced by the socio-political climate of Victorian England. His experiences as a socialist and a keen observer of class struggles in contemporary society inspired him to write When the Sleeper Wakes. The novel encapsulates his concerns about unchecked progress and societal decay at the turn of the century, revealing a vision of a world shaped by human error and the consequences of neglecting moral responsibility. This book is not only a gripping tale but also a thought-provoking exploration of the implications of technological and societal evolution. Readers interested in dystopian literature, social commentary, or Wells's visionary ideas on the future will find this novel an essential addition to their literary repertoire.
