EXCERPT PART 1 HOW TO GET YOUR VAMPIRE TO SHARE Vampires are possessive with their property their lovers which are not more than a step above property their information and their personal history It is not often a human woman is lucky enough to find one who shares memories of his youth during post coital lounging After a lifetime of dating humans the best way for you to adjust to the possessiveness of your vampire lover is to revel in it accept it and take his attention for the compliment that it is Excerpt from VampLure Magazine Chapter 1 Dusty Texas is dusty Sure maybe not all of Texas is dusty but the part that my superhot vampire boyfriend and I were driving through was decidedly dusty Even in the dark of night which was when we had to drive I could see the powdery dirt rising from the road as our tires stirred it up Fortunately we didn t need to have the windows open in the old Ford since Walker the aforementioned superhottie had finally gotten the truck s air conditioning fixed Unfortunately Walker was pro nicotine and without the windows down I was stuck inhaling the obnoxious fumes of his chain lit smokes You know Nicotine o you might not get any sex tonight if you keep blowing your nasty ass cigarette smoke in my face I said Walker s head turned from the endless expanse of highway ahead and his eyes partially hidden behind hanks of his layered dirty blond hair found mine He lifted one eyebrow and quirked his thin lips in a smug sexy way that turned my genitals into a penis pep squad and had them sending an SOS up to my brain for some sexlike activity After sucking in and blowing out one more puff of smoke he answered me And why s that my little hyperbolic chamber If I were honest watching his thin but soft lips tug at the cigarette was one of the sexiest things ever but I didn t want those lips tugging at anything but my skin which meant I was actually jealous of tobacco Because your cigarette smoke makes my eyes red and that makes me tired It also gives me a headache and Josie a headache is the oldest excuse in the book and you re old enough to know I interrupted to fit in one of my favorite rankling comments Any human in a relationship with

a vampire is automatically at a disadvantage in terms of life span strength and speed boning up on your banter and flinging it at every opportunity could be the only edge you've got Of course you also need to be ready for your sexy blood aficionado to fling it back Exactly so don't think that's going to work on me I know how to get you where I want you headache or not As he spoke Walker's hand slipped from the steering wheel and onto my knee where it began a heroic and purposeful journey up my thigh
