Time to Write John Sylvester Lofty,2015-02-10 Analyzes interviews with students teachers and administrators to develop a new set of literacies essential for student success in the digital age To read John s work is to take on the role of a patient listener A book like a piece of music is scored for time and I feel Time to Write is scored adagio I believe that Time to Write can be read as a critique of the time chopping approach to education and an argument for presence for being fully open to experience for being there To do good work we must enter something like island time or what John calls existential time or what is sometimes called flow when we lose at least temporarily a sense of clock time from the Foreword by Thomas Newkirk Twenty five years ago John Sylvester Lofty studied the influence of cultural time values on students resistance to writing instruction in an isolated Maine fishing community For the new edition of Time to Write Lofty returned to the island to consider how social and educational developments in the intervening years may have affected both local culture and attitudes toward education Lofty discovered how the island time values that previously informed students literacy learning have been transformed by outside influences including technology social media and the influx of new residents from urban areas Building on the ethnographic findings of the original study the new edition analyzes the current conflict between the digital age time values of constant connections and instant communication and those of school based literacy Lofty examines the new literacies now essential for students in a technologically connected world both those who aspire to continue the traditional island work of lobster fishing and for the many who now choose to pursue other careers and attend college on the mainland

Cowboy Just in Time LoRee Peery,2020-07-23 When event planner Amanda Totten falls through a barn trapdoor and finds herself in the arms of an 1890 s cowboy she scrambles to find a way back to the future She has a life and obligations her fledgling business and her mother s financial needs But the less stressful lifestyle and her deepening love for Gavin Medley is calling to her heart and she is torn between past and future Has God given her a chance at love Gavin Medley has been working for years to regain his family homestead As ranch foreman he has nothing but a dream of a place and family of his own But his love for Amanda is making him think that having his own ranch isn t as important as having

someone to love for the rest of his life When Amanda returns to the future Gavin is shattered He tries to go forward in time but fails Believing it s God s will Gavin resigns himself to living without the love of his life But love transcends time and Amanda and Gavin need each other Can Amanda return to her cowboy
