Diversity Amid Globalization 6th Edition:

Diversity Amid Globalization Lester Rowntree, 2003 For undergraduate World Regional Geography courses Could also be used for a course on globalization Diversity Amid Globalization is an exciting contemporary approach to World Regional Geography that explicitly acknowledges the geographic changes that accompany today's rapid rate of globalization The book's unique approach gives students access to the latest ideas, concepts, and theories in geography while concurrently developing a strong foundation in the fundamentals of world regions The book helps professors engender a strong sense of place and an understanding of the connections within and between world regions NEW Expanded treatment of globalization in chapter 1 NEW New sections on global terrorism NEW Expanded discussion of environmental geography NEW New and refined maps in each chapter Provides students with the most recent population data and state-of-the-art cartography to display these data NEW ABC Videos NEW Mapping Workbook to accompany Diversity Amid Globalization 2 e Thematic Structure of Regional Chapters Fosters a more structured and penetrating treatment of geographic themes and concepts and facilitates

comparisons of specific *Migration Theory* Caroline B. Brettell, James F. Hollifield, 2022-07-01 The revised fourth edition of *Migration Theory* continues to offer a one-stop synthesis of contemporary thought on migration Editors Caroline B. Brettell and James F. Hollifield remain committed to include coverage that is comparative and global in scope while enhancing similarities and differences between one academic field and the next All chapters have been revised to highlight cutting-edge issues in the field of migration studies today The fourth edition welcomes two new authors Professors Marie Price and François Hiran to offer a fresh approach with their chapters on geography and demography respectively Designed for undergraduate and graduate courses in migration studies a primary goal of the text is to assist instructors in guiding students who may have little background on migration to understand important issues and the scientific debates This ensures *Migration Theory* is a highly valuable guide not only to the perspectives of one's own discipline but also to those of cognate fields
