Divine Hierarchies Class In American Religion And Religious Studies:

Divine Hierarchies Sean McCloud, 2007 Placing the neglected issue of class back into the study and understanding of religion Sean McCloud reconsiders the meaning of class in today's world More than a status grounded in material conditions says McCloud class also entails relationships

Sociology of Religion Kevin J. Christiano, Peter Kivisto, William H. Swatos, Jr., 2025-04-15 Sociology of Religion Fourth Edition introduces students to the nature and function of religious institutions and practices while asking sociological questions about the changing role of religion in today's post traditional world Broken into three parts the book opens with the basics of religious history and a review of key theories for its study Part II Religion and Social Differentiation examines the intersections of ethnicity class gender and sexuality with spirituality today and Part III Religion Culture and Change explores religious inspirations for or impediments to social change Throughout the text boxes illuminate key concepts and suggestions for further reading allow for ongoing exploration of key themes and topics New to the Fourth Edition Chapter 9 Politicized Religion and Conflict presents a comparative look at religious extremism and its global risks Updated and expanded content on ethnicity and religion aids students in better understanding increasingly diverse societies Greater focus on religion's significance in current debates over gender roles and sexuality offers a framework for exploring contemporary conflicts Updated and expanded discussion of religion and the media explores the history of their relationship and how it is being reconfigured in a media saturated age

The Blackwell Companion to Religion in America Philip Goff, 2010-03-25 This authoritative and cutting edge companion brings together a team of leading scholars to document the rich diversity and unique viewpoints that have formed the religious history of the United States A groundbreaking new volume which represents the first sustained effort to fully explain the development of American religious history and its creation within evolving political and social frameworks Spans a wide range of traditions and movements from the Baptists and Methodists to Buddhists and Mormons Explores topics ranging from religion and the media immigration and piety though to politics and social reform Considers how American religion has influenced and been interpreted in literature and popular culture Provides insights into the historiography of religion but presents the subject as a story in motion rather than a snapshot of where the field is at a given moment

The Psalms of Solomon Patrick Pouchelle, G. Anthony Keddie, Kenneth Atkinson, 2021-06-21 Explore new approaches to the Psalms of Solomon The Psalms of Solomon Texts Contexts and Intertexts explores a unique pseudepigraphal document that bears witness to the 63 BCE Roman conquest of Jerusalem Essays address a variety of themes notably their political social religious and historical contexts through the lens of anthropology of religion cognitive science socioeconomic theory and more Contributors include Kenneth Atkinson Eberhard Bons Johanna Erzberger Angela Kim Harkins G Anthony Keddie Patrick Pouchelle Stefan Schreiber Shani Tzoref and Rodney A Werline

Religion and Politics in the United States Kenneth D. Wald, Allison Calhoun-Brown, 2018-01-23 Using an evidenced based social scientific approach to religion Kenneth D Wald and Allison

Calhoun Brown challenge the perception that religious influence in American politics is a problem to be solved. Instead they contend that religion is a form of social identification that not only shapes our ideas about politics but it also shapes the behavior of political elites and ordinary citizens, the interpretation of public laws and the development of government programs. Ultimately the authors show how religion plays a fascinating and crucial role in our nation's political process and in our culture at large. The eighth edition of *Religion and Politics in the United States* has been fully updated to include the latest scholarship and coverage of the 2016 presidential election. It also features a new discussion of the religious right center and left as well as the impact of religion on the fight for equality based on gender and sexual orientation. Additional student resources include all new discussion questions and further readings at the end of each chapter as well as a companion website featuring self quizzes.

The Feminist Political Campaign for Eugenic Legislation in New Jersey, 1910-1942 Alan R. Rushton, 2023-01-12 As this book shows between 1910 and 1942 social feminists in New Jersey waged an unsuccessful campaign for legislation that would permit eugenic sterilization of feeble-minded and other undesirable citizens. Church archives and religious periodicals described the conflict between Catholic and Protestant citizens regarding this issue. Reform-minded women persisted in their quest for such progressive state legislation despite repeated failures. Their number of potential voters was very small compared to the organized bloc of Catholic citizens who viewed such legislation as immoral and based on bad science and threatened to unseat any legislator who supported such a notion. This insightful text highlights that public officials would only enact such laws when they were convinced that many citizens supported a particular eugenic goal and then would vote for legislators who satisfied this moral challenge. Public opinion was unprepared for such radical legislation in New Jersey and legislators learned that to even consider a eugenic sterilization notion would be political suicide.

Christianity and the University Experience Mathew Guest, Kristin Aune, Sonya Sharma, Rob Warner, 2013-09-12 What impact does the experience of university have on Christian students? Are universities a force for secularisation? Is student faith enduring or a passing phase? Universities are often associated with a sceptical attitude towards religion. Many assume that academic study leads students away from any existing religious convictions, heightening the appeal of a rationalist secularism increasingly dominant in wider society. And yet Christianity remains highly visible on university campuses and continues to be a prominent identity marker in the lives of many students. Analysing over 4 000 responses to a national survey of students and nearly 100 interviews with students and those working with them, this book examines Christianity in universities across England. It explores the beliefs, values and practices of Christian students. It reveals how the university experience influences their Christian identities and the influence Christian students have upon university life. *Christianity and the University Experience* makes fascinating reading for anyone interested in the survival and evolution of religion in the contemporary world. It offers fresh insights relevant to those working with Christian students including churches, chaplaincies and student organisations as well as policy makers and university managers interested in the significance of religion for education, social

responsibility and social cohesion Moral Ambition Omri Elisha, 2011-07-15 This is a lovely book Secular Americans all too often assume that evangelical Christianity embraces an individualistic ethos This well written and engaging account takes us into the life of the social world of evangelical megachurches and shows the tensions between unconditional love and accountability In doing so this book allows us to grasp the experience at the heart of evangelical faith These people emerge as likable and intelligible through Elisha's narrative T M Luhrmann Watkins University Professor Stanford University Elisha is a wonderfully talented ethnographer empathetic in the very best sense critically engaged attentive and clearly committed to forming genuine relationships I have tremendous admiration for the research that went into this project and I can't wait to teach this book in my classes R Marie Griffith John A Bartlett Professor Harvard Divinity School Religion and American Culture ,2007 Catch the Fire Michael Wilkinson, Peter Althouse, 2014-03-15 A recent phenomenon of charismatic renewal took place in Toronto in the mid 1990s Commonly known as the Toronto Blessing and operated by the former Vineyard Church leaders John and Carol Arnott the renewal was defined by reports of uncontrollable laughter weeping speaking in tongues animal noises and falling on the floor during worship Sympathetic Christians embraced these practices while others who believed that this form of worship bordered on spectacle rejected them By the end of the 1990s most people thought that the renewal was over Yet in the first decade of the twenty first century the authors a sociologist and a theologian heard rumors that the Toronto church now known as Catch the Fire was still holding mass meetings with upwards of 2 000 people in attendance They also learned of an emerging practice of soaking prayer an adaption of Pentecostal charismatic prayer that participants and leaders claim facilitates and expands the reception of divine love in order to give it away in acts of forgiveness reconciliation compassion and benevolence Soaking the authors reveal is a metaphor for practices like resting in the Spirit prayer for spiritual gifts healing prophecy impartation and supports overall charismatic spirituality Attending Catch the Fire conferences churches and house meetings in the United States Canada Britain Australia and New Zealand Wilkinson and Althouse observed first hand how people soak what it means to soak and why soaking is considered an important practice among charismatics Encyclopedia of Religion in America Charles H. Lippy, Peter W. Williams, 2010 Explores the origins development influence and interrelations of the many faiths practiced in North America including major world religions and emerging sects cults and movements Divine Hierarchies Sean McCloud, 2007 Divine Hierarchies Class in American Religion and Religious Studies *American Studies* ,2008 **The Writers Directory** ,2013 *Book Review Digest* ,2008 **OAH Annual Meeting** Organization of American Historians. Meeting, 2008 **Program of the ... Annual Meeting** Organization of American Historians. Meeting, 2008 **Choice** ,2009 American Possessions Sean McCloud, 2015 American Possessions examines Third Wave evangelical spiritual warfare a contemporary movement of evangelicals focused on banishing demons from human bodies material objects land regions political parties and nation states McCloud argues that spiritual warfare provides an ideal case study for identifying some prescient tropes in modern
