Divine Madness Archetypes Of Romantic Love:

Divine Madness John R. Haule, 2010-03 *Divine Madness Archetypes of Romantic Love* examines the transforming experience of romantic love in literature myth religion and everyday life A series of psychological meditations on the nature of romantic love and human relationship *Divine Madness* takes the perspective that human love is a species of divine love and that our experience of romantic love both conceals and reveals the ultimate Lover and Beloved John Haule draws on depth psychology the mystical traditions of the world and literature from Virgil to Milan Kundera to lead the reader inside the mind and heart of the lover Each chapter explores a characteristic aspect of relationship such as seduction and love play the rapture of union the agony of separation madness woundedness and transcendence Focusing on the soulful and spiritual meaning of these experiences *Divine Madness* sheds light on our elations obsessions and broken hearts but it also reconnects us with the wisdom of time immemorial As a practicing Jungian analyst and former professor of religious studies John Haule masterfully guides his readers through the labyrinth of everyday experience and the often hidden layers of archetypal realities sketching a philosophy of romantic love through the stories of the world's literature and mythology

Out of the Shadows Elizabeth Clark-Stern, 2010 The year is 1910 Sigmund Freud and his heir apparent Carl Jung are changing the way we think about human nature and the mind Twenty two year old Toni Wolff enters the heart of this world as Jung's patient His wife Emma Jung is twenty six a mother of four aspiring to help her husband create the new science of psychology Toni Wolff's fiercely curious mind and her devotion to Jung threaten this aspiration Despite their passionate rivalry for Jung's mind and heart the two women often find themselves allied Born of aristocratic Swiss families they are denied a university education and long to establish themselves as analysts in their own right Passionate and self educated they hunger for another intellectual woman with whom to explore the complexities of the soul the role of women in society and the archetypal feminine in the affairs of nations Their relationship spans 40 years from pre World War I to the dawn of the Atomic Age Their story follows the development of the field of psychology and the moral and professional choices of some of its major players Ultimately Toni and Emma discover that their individual development is informed by both their antagonism and their common ground They struggle to know the essence of the enemy the other and to claim the power and depth of their own nature

C. G. Jung's Archetype Concept Christian Roesler, 2021-12-28 The concept of archetypes is at the core of C G Jung's analytical psychology In this interesting and accessible volume Roesler summarises the classical theory of archetypes and the archetypal stages of the individuation process as it was developed by Jung and his students Various applications of archetypes in cultural studies as well as in clinical practice are demonstrated with detailed case studies dream series myths fairy tales and so on The book also explores how the concept has further developed as a result of research and for the first time integrates findings from anthropology human genetics and the neurosciences Based on these contemporary insights Roesler also makes a compelling argument for why some of Jung's views on the concept should be comprehensively revised

Offering new insights on foundational Jungian topics like the collective unconscious persona and shadow C G Jung's Archetype Concept is of great interest to Jungian students analysts psychotherapists and scholars *Divine Madness* John Ryan Haule, 1990 *A Midsummer Night's Dream: Shakespeare's Syzygy of Meaning*, *Latin American Shakespeares* Bernice W.
