Heal Yourself--Heal the World Deborah King, 2017-10-10. Deborah King, spiritual leader and New York Times bestselling author of *Be Your Own Shaman*, inspires and teaches her proven method of LifeForce Energy Healing in this definitive and accessible book that will forever change the way you connect to your energy. What's standing between you and the life you were meant to lead? The answer lies in your energy field and how you manage it. When our energy pathways are blocked by suppressed feelings, pain, and trauma, we weaken both our personal and universal energy fields, hindering our ability to live our best lives. LifeForce Energy has its origins in the living force that Hindus call prana, the Chinese call chi, and the Japanese call qi. This primal force is connected to your spirit as well as to your physical, emotional, and mental self. It is, in fact, the substance of spirit, what Master energy healer Deborah King calls LifeForce energy. Now, using the simple techniques and powerful teachings in *Heal Yourself Heal the World*, you can finally clear past trauma from your energy field, connect with authentic emotions, clear charge, and rebalance your chakras. Within *Heal Yourself Heal the World*, you will be able to explore the origins and benefits of energy healing, as well as learn self-healing practices and techniques moving you from basic concepts to hands-on learning to ultimately whole-world healing.

The Power of Ritual Rachel Pollack, 2000. For those seeking spiritual wholeness, a sense of belonging, and a connection to something greater than themselves, *The Power of Ritual* explores the ways in which ritual can transform lives. [Music and Temple Ritual in South India](#) William Tallotte, 2022-12-30. *Music and Temple Ritual in South India* Performing for Iva documents the musical practices of the periyam, a South Indian instrumental ensemble of professional musicians who perform during the rituals and festivals of high-caste Brahmanical Tamil Hindu temples dedicated to the Pan-Indian god Iva, an important patron of music since at least the tenth century. It explores the ways in which music and ritual are mutually constitutive, illuminating the cultural logics whereby performing and listening are integral to the kinetic, sensory, and affective experiences that enable, shape, and stimulate ritual communication in present-day devotional Hinduism. More than a rich and vivid ethnographic description of a local tradition, the book also develops a comprehensive and original analytical model in which music is understood as both a situated and creative activity and where the fluid relationship between humans and non-humans, in this case, divine beings, is truly taken into consideration. **In the Presence of Sai Baba** Smriti
