Divine Immutability Fortress Texts In Modern Theology:

Divine Immutability Isaak August Dorner,1994 Unqualified divine simplicity not only contradicts the central christological and trinitarian distinctions but it also renders implausible any positive relation between God and world God and time

Constructing a Mediating Theology J. D. Kim,2022-11-16 How does an almighty and all loving God respond to his beloved human creatures who are made in his image and yet implicated in sin and suffering What is the origin of human suffering Is it sin or the limitations of human beings Is God moved by our suffering If he sympathizes and co suffers with us can he deliver us out of our miseries Thousands and perhaps millions of people have asked these questions and are searching desperately for their answers Two major views have been advanced in the history of Christian theology to describe God s response to the suffering of the world divine impassibility and divine passibility More recently a third mediating position between impassibilism and passibilism has arisen which affirms both the impassibility and the passibility of God This position can be identified as modified classical theism an approach that grasps the perfect and relational nature of God Following this mediating position this book sets out its own constructive understanding of a mediating position with the help of a new way of understanding the way in which the eternal actions and corresponding passions of the divine persons condition one another the dynamic reciprocity model

The Doctrine of Creation Bruce Riley Ashford,Craig G. Bartholomew,2020-11-10 According to Bruce Ashford and Craig Bartholomew one of the best sources for regaining a robust biblical doctrine of creation is the recovery of Dutch neo Calvinism Tracing historical treatments and exploring theological themes Ashford and Bartholomew develop the Kuyperian tradition s rich resources on creation for systematic theology and the life of the church today

Experience, Culture and Religion in Systematic Theology Edmond Zi-Kang Chua,2023-09-28 Most systematicians take as their starting point the nature of God and scripture as the means by which God s nature is revealed but what would a systematic theology look like that began with an experiential knowledge of God Here Edmond Chua offers a method for just such an approach Beginning with realms of human experience including psychology cultural diversity and religious plurality he builds the framework of a systematic theology that is inclusive and pluriform while retaining the core tenets of a Christian doctrine of God Notwithstanding his novel methodology Chua s argument remains biblically rooted and appreciative of the Christian tradition In the latter half of the book he returns to the classical doctrines of the Trinity Christology evil sin and salvation allowing his inclusive view of the human religious experience to shed new light on the wisdom bequeathed by Paul Augustine Aquinas Luther Barth and others The result is a bold Christian vision that is culturally engaged and globally applicable of interest to systematic theologians while contributing to interreligious dialogue

Karl Barth and Reformed Theology Paul T. Nimmo,2025-12-04 This volume explores a series of key themes in the relationship between Karl Barth and Reformed theology Though a minister in the Reformed church and heavily indebted to its theology throughout his career Barth had a complex relationship with the Reformed tradition

appreciative of its strengths yet cognizant of its weaknesses This book draws together a stellar cast of international scholars from diverse traditions and perspectives to engage with Karl Barth as a Reformed scholar and with his theological legacy

The Minor Prophets Craig G. Bartholomew, Heath A. Thomas, 2023-09-19 In this unique introduction to the Minor Prophets two biblical scholars survey the twelve books and explore the theological themes of each Filled with helpful exegetical insights this book is an invaluable guide for students pastors and scholars looking for a cohesive exploration of these often overlooked books of the Hebrew Bible

None Greater Matthew Barrett, 2019-03-05 Matthew Barrett leads us to marvel at both how much and how little we know of God Tim Challies blogger at challies.com author of Visual Theology For too long Christians have domesticated God bringing him down to our level as if he is a God who can be tamed But he is a God who is high and lifted up the Creator rather than the creature someone than whom none greater can be conceived If God is the most perfect supreme being infinite and incomprehensible then certain perfect making attributes must be true of him Perfections like aseity simplicity immutability impassibility and eternity shield God from being crippled by creaturely limitations At the same time this all powerful all knowing and all wise God accommodates himself exhibiting perfect holiness mercy and love as he makes known who he is and how he will save us The attributes of God show us exactly why God is worthy of worship there is none like him Join Matthew Barrett as he rediscovers these divine perfections and finds himself surprised by the God he thought he knew Matthew Barrett's excellent book lays out in clear accessible terms what the biblical historic ecumenical doctrine of God is why it matters and why its abandonment by great swathes of the Protestant world is something that needs correction Carl R Trueman professor Grove City College author of Grace Alone Perhaps not since R C Sproul has there been a treatment of such deep theology with such careful devotion and accessibility Read this book And stagger Jared Wilson director of content strategy Midwestern Baptist Theological Seminary managing editor For the Church author of The Gospel Driven Church The knowledge of God is the soil in which Christian piety flourishes I am grateful for the publication of None Greater and pray it will be a source of growth in godliness among those captivated by its vision of God's supremacy Scott Swain president and James Woodrow Hassell Professor of Systematic Theology Reformed Theological Seminary Orlando author of Reformed Catholicity

Tragedy, Recognition, and the Death of God Robert R. Williams, 2012-09-27 Hegel and Nietzsche are two of the most important figures in philosophy and religion Robert R Williams challenges the view that they are mutually exclusive He identifies four areas of convergence First Hegel and Nietzsche express and define modern interest in tragedy as a philosophical topic Each seeks to correct the traditional philosophical and theological suppression of a tragic view of existence This suppression of the tragic is required by the moral vision of the world both in the tradition and in Kant's practical philosophy and its postulates For both Hegel and Nietzsche the moral vision of the world is a projection of spurious life negating values that Nietzsche calls the ascetic ideal and that Hegel identifies as the spurious infinite The moral God is the enforcer of morality Second while acknowledging a tragic dimension

of existence Hegel and Nietzsche nevertheless affirm that existence is good in spite of suffering Both affirm a vision of human freedom as open to otherness and requiring recognition and community Struggle and contestation have affirmative significance for both Third while the moral God is dead this does not put an end to the God question Theology must incorporate the death of God as its own theme The union of God and death expressing divine love is for Hegel the basic speculative intuition This implies a dipolar panentheistic concept of a tragic suffering God who risks loves and reconciles Fourth Williams argues that both Hegel and Nietzsche pursue theodicy not as a justification of the moral God but rather as a question of the meaningfulness and goodness of existence despite nihilism and despite tragic conflict and suffering The inseparability of divine love and anguish means that reconciliation is no conflict free harmony but includes a paradoxical tragic dissonance reconciliation is a disquieted bliss in disaster *Christian Philosophy A-Z* Daniel J. Hill, Randal D. Rauser, 2006 A handy guide to the major figures and issues in Christian philosophy from Augustine to the present This volume covers a broad historical sweep and takes into account those non Christian philosophers that have had a great impact on the Christian tradition However it concentrates on the issues that perplex Christian philosophers as they seek to think through their faith in a philosophical way and their philosophical beliefs in the light of their faith Examples of the topics discussed are the question of whether and how God knows the future whether we actually know that God exists and what Athens has to do with Jerusalem The leaders of the recent revival of Christian analytic philosophy especially Alvin Plantinga Nicholas Wolterstorff William Alston and Robert Adams are also included This book will be of interest to those studying Christian philosophy and to Christians seeking to think philosophically about their faith **What is Theology?** Rudolf Bultmann, 1997 From 1926 to 1936 Rudolf Bultmann offered an introductory course in theology which he continually revised and refined Finally published posthumously and now available in English for the first time WHAT IS THEOLOGY presents a clear compendium of the theology of a member of one of this century's rare number of giant scholars Critical Review of Books in Religion ,1994 **Index to Book Reviews in Religion** ,1999 **Divine Empathy** Edward Farley, 1996 A major work from one of today's leading theologians Divine Empathy attempts to think the unthinkable how God comes forth actively and redemptively to meet the human situation Apologetic but not polemical Farley's work sympathetically engages yet moves beyond both the classical tradition as well as contemporary anti theisms in formulating a concept of God that is strikingly original intellectually honest and comprehensive Farley's treatise employs the facticity of redemption the actual experience of freedom and empowerment as the primordial source for our thinking about God Part 1 God symbols Part 2 and God's activity Part 3 including the figure of Jesus Farley's astute analysis leads inexorably to a view of divine creativity and empathy that is one of the more profound religious visions of our time Books in Print ,1994 *Paperbound Books in Print* 1995 Reed Reference Publishing, R5ference Reed, 1995-12 *Books in Print Supplement* ,1994 **Post-Reformation Reformed Dogmatics** Richard A. Muller, 2003-08 A major study reevaluating the primary sources of the post Reformation

period to determine how consistent they are with the thinking of the Reformers on theological prolegomena *Subject*
