## **Divine Simplicity Dogmatic Systematic Theology:**

Divine Simplicity Steven J. Duby, 2015-12-17 Steven J Duby examines the doctrine of divine simplicity This discussion is centered around the three distinguishing features grounding in biblical exegesis use of Thomas Aquinas and the Reformed Orthodox and the writings of modern systematic and philosophical theologians Duby outlines the general history of the Christian doctrine of divine simplicity and discusses the methodological traits and essential contents of the dogmatic account He substantiates the claims of the doctrine of divine simplicity by demonstrating that they are implied and required by the scriptural account of God Duby considers how simplicity is inferred from God s singularity and aseity as well as how it is inferred from God s immutability and infinity and the Christian doctrine of creation The discussion ends with the response to major objections to simplicity namely that the doctrine does not pay heed to the plurality of the divine attributes that it eradicates God s freedom in creating the world and acting toward us and that it does not cohere with the personal distinctions to be made in the doctrine of the Trinity

*Divine Simplicity* Paul R. Hinlicky, 2016-07-19 A Fresh Articulation of the Unity of God This volume critiques various ways divine simplicity which suggests God s being is identical to God s attributes has shaped Christian theology and offers a fresh articulation of the unity of God The author proposes that the concept of divine simplicity carried over from the Greek metaphysical tradition was heedlessly incorporated into the language of Christian trinitarian theology during the patristic period He identifies numerous problems that have resulted from its retention in postpatristic Christian dogmatics arguing that uncritical use of the concept renders the biblical God inexpressible and unknowable This major contribution to contemporary trinitarian dogmatics also contains a unique approach to the problem of Christian Muslim relations

Only God Will Save Us Simon Cuff, 2020-04-30 God s being gives meaning to God s action So said Gustavo Guti rrez If we grasp what it means to say that God is just we learn what justice really looks like If we understand how divine anger works we understand how we can be fruitfully angry Understanding who God is is not an ivory tower activity but one which helps us to better grasp of both Christian worship and Christian action An accessible introduction to the doctrine of God Only God Will Save Us demonstrates for students ordinands and Christian practitioners how a theological articulation of the nature of God can drive and refine Christian action in the world

Supralapsarianism Reconsidered Phillip A. Hussey, 2024-05-30 Revisits supralapsarianism through an interpretation and constructive retrieval of the theology of Jonathan Edwards especially his account of Christ as the sum of God's decrees

**Journal of Biblical and Theological Studies, Issue 4.2** Daniel S. Diffey, Ryan A. Brandt, Justin McLendon, 2019-12-09 The Journal of Biblical and Theological Studies JBTS is an academic journal focused on the fields of Bible and Theology from an inter denominational point of view The journal is comprised of an editorial board of scholars that represent several academic institutions throughout the world JBTS is concerned with presenting high level original scholarship in an approachable way Academic journals are often written by scholars for other scholars They are technical in nature assuming a robust knowledge of the field There are fewer journals that seek to introduce biblical and theological scholarship that is also accessible to students JBTS seeks to provide high level scholarship and research to both scholars and students which results in original scholarship that is readable and accessible As an inter denominational journal JBTS is broadly evangelical We accept contributions in all theological disciplines from any evangelical perspective In particular we encourage articles and book reviews within the fields of Old Testament New Testament Biblical Theology Church History Systematic Theology Practical Theology Philosophical Theology Philosophy and Ethics

Divine Simplicity Jordan P. Barrett, 2017-12-01 Divine Simplicity engages recent critics and address one of their major concerns that the doctrine of divine simplicity is not a biblical teaching By analyzing the use of Scripture by key theologians from the early church to Karl Barth Barrett finds that divine simplicity developed in order to respond to theological errors e.g. Eunomianism and to avoid misreading Scripture The volume then explains how divine simplicity can be rearticulated by following a formal analogy from the doctrine of the Trinity in which the divine attributes are identical to the divine essence but are not identical to each other

**The Task of Dogmatics** Zondervan, 2017-11-21 Defining the Nature Process and Mission of Dogmatic Discourse Theologians often discuss method in a remote and preliminary way that suggests they are not yet speaking theologically when speaking methodologically But it is also possible to reflect on the work of Christian dogmatics in a way that is self consciously nourished by biblical reasoning resourced by tradition joined up with ecclesial practice and alert to spiritual dynamics Bringing together theologians who are actively engaged in the writing and editing of extended dogmatics projects The Task of Dogmatics represents the

proceedings of the 2017 Los Angeles Theology Conference and seeks to provide constructive accounts of the nature of the dogmatic task The eleven diverse essays in this collection include discussions on Identifying theology's pattern and norm The validity and relativity of doctrinal statements The Apostle Paul and the task of dogmatics The retrieval of patristic and medieval theology Each of the essays collected in this volume engage with Scripture as well as with others in the field theologians both past and present from different confessions in order to provide constructive resources for contemporary systematic theology and to forge a theology for the future

**Let Justice Flow Like Water** Joshua M. Greever, D. A. Horton, Justin McLendon, 2025-06-01 Edited by Joshua M Greever D A Horton and Justin McLendon Let Justice Flow Like Water addresses the strained relationship between social justice the gospel and the mission of the church In response to the misuse of Scripture to promote personal ends the volume reorients the conversation around justice and centers it in the biblical text and its theological implications The authors provide practical wisdom and points of application to pastors ministry leaders and students The authors examine the most frequently cited texts on biblical justice through a coherent biblical and systematic theological method The result is a glimpse into God's heart for justice and his desire for humanity especially the church to share this heart The volume's theology is supplemented by practical guidance to pastors so that they can lead their churches to embrace the gospel and social justice properly understood Let Justice Flow Like Water serves as an irenic reminder to pastors students and educated lay people to return to the biblical text to understand it more accurately and to reengage and understand one another in a winsome fashion for the sake of the gospel the mission of the church and the glory of God

**Confessing Christ** Keith S. Whitfield, Steven A. McKinion, Christine E. Thornton, 2024-11-01 Edited by Baptist scholars Steven A McKinion Christine E Thornton and Keith S Whitfield Confessing Christ An Introduction to Baptist Dogmatics offers a unique and comprehensive exploration of Baptist theology Grounded in the belief that theology is both exploratory and explanatory the book introduces a historical covenantal ecclesial and confessional approach to Baptist Dogmatics Each essay delves into a specific area of dogmatic theology covering essential topics such as God Scripture anthropology Christology salvation ecclesiology the sacraments the Christian life and eschatology The volume editors emphasize the importance of renewing Baptist life and mission through a rediscovery of the rich theological heritage By understanding and engaging with this tradition Baptist Christians can express their faith more authentically in the contemporary context and future endeavors The book's four key elements historical covenantal ecclesial and confessional provide a structured framework for exploring core Christian doctrines within the context of Baptist dogmatics Each chapter incorporates biblical exegesis and dialogue with at least one historical Baptist theologian Confessing Christ stands as a significant contribution to the field of Baptist dogmatics serving as essential reading for Baptist scholars pastors and church leaders seeking a deeper understanding of the Baptist theological tradition and its contemporary relevance

**Dogmatic Aesthetics** Stephen John Wright, 2014-10-01 The identification of God with beauty is one of the most aesthetically rich

notions within Christian thought However this claim is often at risk of becoming untethered from core Christian theological confessions To avoid a theological account of beauty becoming a mere projection of our wildest desires it must be reined in by dogmatics To make this case this book employs the thought of Robert W Jenson to construct a dogmatic aesthetics Jenson's whole theological program is directed by exploring the systematic potential of the core doctrines of the faith that finally opens out into a vast vision of the beauty of God and creatures God is a great fugue the rest is music Taking Jenson's cue the account of beauty presented in this book is propelled by a core conviction of Jenson's theology the sole analogue between God and creatures is not being or any other metaphysical concept but Jesus Christ

**Jesus and the God of Classical Theism** Steven J. Duby, 2022-06-07 Christianity Today 2023 Book Award Academic Theology In both biblical studies and systematic theology modern treatments of the person of Christ have cast doubt on whether earlier Christian descriptions of God in which God is immutable impassible eternal and simple can fit together with the revelation of God in Christ This book explains how the Jesus revealed in Scripture comports with such descriptions of God The author argues that the Bible's Christology coheres with and even requires the affirmation of divine attributes like immutability impassibility eternity and simplicity

**Trinitarian Dogmatics** D. Glenn Butner, Jr., 2022-07-19 Christianity Today 2023 Award of Merit Academic Theology This introduction draws on the breadth of the Christian tradition to present a biblically grounded globally informed and conceptually precise account of the doctrine of the Trinity It covers key themes and concepts offering an alternative to introductory texts on the Trinity that are arranged historically chronologically The book incorporates majority world theology engages important debates in contemporary biblical studies and draws on neglected historical figures It also contains a glossary of trinitarian terms and an annotated bibliography of major works on the doctrine of God

**God in Himself** Steven J. Duby, 2019-12-31 How do we know God Can we know God as he is in himself Theologians have argued for the role of natural and supernatural revelation while others have argued that we know God only on the basis of the incarnation In this SCDS volume Steven J Duby casts a vision for integrating natural theology the incarnation and metaphysics in a Christian description of God in himself
