Divorce And Remarriage A Permanence View:

Divorce and Remarriage Christian Communicators Worldwide, Daryl Wingerd, 2009-01 Bible believing Christians agree that it is essential to act on Jesus words while the present storm of marital unfaithfulness and divorce swirls around us Yet there is uncertainty about Jesus commands concerning divorce and remarriage Do we truly understand the words of Christ and Paul In **Divorce and Remarriage A Permanence View** the authors explain in detail why they believe that Jesus did not allow divorce for any reason and did not permit remarriage if a former spouse was living This view proposes that the exception clause given by Jesus must be understood in its ethnic and exegetical context if Christ s intent for marriage is to be fully comprehended The result is a perspective that harmonizes all of what Paul and the Gospels teach about divorce and remarriage The authors view is summarized in the following three statements the one flesh union created in marriage is permanent until death initiating a divorce is never lawful remarrying after divorce is an act of adultery if a former spouse is living

Divorce and Remarriage H. Wayne House, 1990-04-20 Editor H Wayne House introduces a lively debate on varying Christian views of divorce and remarriage Contributors include J Carl Laney William Heth Thomas Edgar and Larry Richards

Christians and Divorce Peter Miles, 2017-10-21 I never thought I would end up divorced but did and the statistics tell us that now in the western world about half of all marriages end in divorce The consequences of divorce are immense not only for the couple but on their children and family If you have been divorced you will know it to be one of the most emotionally traumatic experiences one can endure The emotional pain can be like the death of your spouse and for some it is worse What you will read here has been born out of life experience not just theology It is in two parts 1 the personal journey through divorce and 2 a Biblical examination of the question Is there a right to divorce and remarry If you are considering divorce separated or divorced it is my hope that you will gain a deeper perspective and avoid the snares which often accompany divorce so that you might not only avoid or survive divorce but find God s love and peace in greater measure **Christian**

Marriage David Ayers, 2019-02-06 Why should we care about marriage There is a lot of confusion about the purpose of marriage today outside the church as well as within it Written by a distinguished Christian sociologist **Christian Marriage** is a theologically rich biblically robust and sociologically informed treatise on the nature and value of marriage Drawing on recent social science research empirical data and social history Ayers paints a picture of marriage as an institution meant for human flourishing Along the way Ayers addresses such topics as Dating and selection of a spouse The importance of premarital counseling Sex and procreation Mentoring and supporting unmarried believers Divorce and remarriage And current controversies surrounding premarital sex and same sex marriage Though the book is academically and theologically informed it is written with a pastoral heart It seeks to provide a rich resource for pastors and counselors on a topic of supreme importance to a vibrant church and society **God, Marriage, and Family** Andreas J. Köstenberger, David W.

Jones, 2010 This updated edition of Köstenberger and Jones s landmark work tackles the latest debates and cultural

challenges to God's plan for marriage and the family and urges a return to a biblical foundation

Remarriage after Divorce in Today's Church Zondervan, 2009-12-15 Despite a strong belief in the institution and sacredness of marriage studies show that Christian spouses experience divorce at least as much as the secular population But whatever the reasons for a divorce beyond the divorce itself many Christians want to know does the Bible support remarriage The fact is that no consensus exists among evangelicals on their views of remarriage leaving many Christians confused This Counterpoints volume explores the biblical and practical cases for the three main evangelical views on remarriage after divorce Remarriage is not acceptable after divorce defended by Gordon J Wenham Remarriage is acceptable only after adultery or desertion defended by William A Heth Remarriage is acceptable for a variety of reasons defended by Craig S Keener Each of the three contributors offers his point of view succinctly and with biblical support and each interacts with the others to help readers come to their own conclusions The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion

The Indissolubility of Marriage Matthew Levering, 2019-05-20 This well researched book explains why the Catholic Church continues to teach marital indissolubility and addresses the numerous contemporary challenges to that teaching It surveys the patristic witness to marital indissolubility along with Orthodox and Protestant views as well as historical critical biblical exegesis on the contested biblical passages It also surveys the Catholic tradition from the Trent through Benedict XVI and it examines a Catholic argument that the Catholic Church's teaching can and should change Then it explores Amoris Laetitia the papal exhortation from Pope Francis on marriage and the various major responses to it with the issue of marital indissolubility at the forefront Finally it retrieves Aquinas's theology of marital indissolubility as a contribution to deepening current theological discussions The author argues that Amoris Laetitia upholds the traditional Catholic teaching that a valid and consummated Christian marriage is absolutely indissoluble in accord with the teachings of Jesus and the Apostle Paul as solemnly and authoritatively taught by the Council of Trent and affirmed by later popes and the Second Vatican Council He says that Amoris Laetitia should be interpreted and implemented in light of the doctrine of marital indissolubility implementations that undermine this doctrine should be avoided Levering says that numerous contemporary Catholic theologians and biblical scholars are mistakenly turning the indissolubility of marriage into contingent dissolubility based upon whether the spouses continue to act in loving ways toward each other The sacrament's gift of objective indissolubility is thereby undermined Fortunately the main interpreters of Amoris Laetitia whose views have been approved by Pope Francis insist that the Apostolic Exhortation does not change the doctrine of marital indissolubility in any way

Divorced and Remarried With God's Blessing Leslie & Melody Abbott, Melody Abbott, 2010-11-30 A Biblical overview on the subject of divorce and remarriage The book takes a classic view on the permanence of marriage the biblical reasons for divorce and

excellent information on who qualifies for remarriage It also covers important questions that must be answered before committing one s self to another spouse The main focus of the book is that divorce is not always preventable and that you may be free from guilt and shame should you choose to remarry *A Difficult Passage* Glenn A. Lafferty,2013-05 There s nothing good about a divorce It is one of the most painful experiences a person can endure What s worse is that if one is a Christian and divorced what he or she often finds is that the institution meant to heal the brokenhearted the church often sounds more like an adversary rather than an advocate Too often they are intentionally re classified as second class Christians Why is this so Should this be so *A Difficult Passage* is a call to rethink in Biblical and compassionate terms the traditional conservative views of divorce and remarriage Readers will navigate their way through difficult questions such as What was God s original intent when He designed marriage What role did history and culture play in shaping modern opinion and doctrine Once a person is married can they ever be considered unmarried in the eyes of God Did God make provision for divorce as a corrective measure to insure justice for the innocent Once divorced can a person ever remarry Does remarriage constitute perpetual sin From where did the modern church get its marital views *Divorce and Remarriage* William F. Luck,1987 **Sexual Ethics** Derrick Sherwin Bailey,1962 *Divorce and Remarriage* David L. Smith,2008-04-15 This volume examines the various theological aspects of divorce and remarriage historical contemporary exegetical and practical recognizing that all are subject to the teaching of Scripture This is done in such a way that readers may follow the author s thinking and so form their own practical theology of this difficult ethical issue *Family Ministry* Charles M. Sell,1981 The success of the church s mission lies in large part with the well being of its families In *Family Ministry* Charles Sell addresses the multiple means by which a congregation can create and sustain healthy family life In survey after survey people say that family takes priority yet family ministries remain scarce in the church and family disintegration is a significant problem even in evangelical congregations *Family Ministry* offers the theoretical theological and practical resources for developing needed ministries This edition reflects the changes that have taken place in both society and church since the first edition was published in 1981 **Divorce and Remarriage by the Book** William G. Lagasse,2009-08 Divorce is rampant in the world and in the Church The World Health Organization has named swine flu a pandemic because of its rapid spread around the world Divorce because of its rapid and out of control growth in the Church should be viewed as a Christian pandemic *Divorce and Remarriage* looks at three areas the problem the solution and how to get to the solution Divorce in the Christian church is a result of secular thinking and a biblical ignorance The Bible is full of illustrations of marital strife and its affects on family children and associates The solution is simple the Bible also gives explicit instructions and illustrations to the Christian so they can have a meaningful and fulfilling relationship The last step is the hardest how to arrive at the solution *Divorce and Remarriage* is not a self help book Christians cannot help themselves Jesus said he would send a helper the Holy Spirit Therein lies the solution In the power of the Holy Spirit we find the solution a transformed life *Divorce and Remarriage* is a
