Divorce And Remarriage:

Divorce and Remarriage Curtis Hutson, 2000-08 **The Asundered** Myrna Kysar, Robert Kysar, 1978 *Marriage, Divorce, and Remarriage* Daniel Goepfrich, 2007-09 Goepfrich offers help and hope to those who are considering marriage getting married for the first time in a marriage that is falling apart divorced or considering divorce remarried or considering remarriage or concerned about a friend or family members marriage Practical Life **Put Away But Not Divorced** Robert Waters, 2012 Because of the ramifications divorce and remarriage is one of the most hotly debated biblical issues in the church today Many people find this issue to be a challenging subject Preachers and dedicated Bible students have written numerous books and engaged in countless discussions seeking to answer the question of whether one who has been divorced or has divorced may marry again Yet Christians are far from united on this issue Many find it so difficult and troublesome to discern the truth that they refuse to even open their mind to an honest study of the subject Others are so fully convinced they have the answer and that what they know is so vital to truth and morality they will have no fellowship with those who differ with them Does God intend for divorced women to remain celibate Will divorcees be judged as having committed a sin by remarriage Do you know what the Bible actually says concerning marriage divorce remarriage MDR In his honest look at MDR Robert Waters examines the Greek word *apulo* put away and discusses its true meaning in the context of Jesus's time Through this examination to include a comprehensive study of relevant passages and a thorough rejoinder to opposing arguments Waters guides the reader to a better understanding of MDR and God's intention for divorce in Put Away but Not Divorced **Divorce and Remarriage in the Catholic Church** Gerald D. Coleman, 1988 Clearly summarizes and sensitively addresses the major pastoral moral and canonical issues facing separated and divorced Catholics This work not only observes carefully the people who suffer from divorce but also those who rejoice in remarriage Interwoven through these labyrinthian anxieties and hopes lies profound questions about faith the Eucharist the internal forum excommunication and Biblical affirmation The book deals with these pivotal areas of real concern within an historical context and with the goal of safeguarding the sacrament of Marriage while equally acknowledging that we live in a world affected by sin **Divorce and Remarriage** H. Wayne House, 1990-04-20 Editor H Wayne House introduces a lively debate on varying Christian views of divorce and remarriage Contributors include J Carl Laney William Heth Thomas Edgar and Larry Richards Remarriage after Divorce in Today's Church Zondervan, 2009-12-15 Despite a strong belief in the institution and sacredness of marriage studies show that Christian spouses experience divorce at least as much as the secular population But whatever the reasons for a divorce beyond the divorce itself many Christians want to know does the Bible support remarriage The fact is that no consensus exists among evangelicals on their views of remarriage leaving many Christians confused This Counterpoints volume explores the biblical and practical cases for the three main evangelical views on remarriage after divorce Remarriage is not acceptable after divorce defended by Gordon J Wenham Remarriage is acceptable only after adultery or desertion

defended by William A Heth Remarriage is acceptable for a variety of reasons defended by Craig S Keener Each of the three contributors offers his point of view succinctly and with biblical support and each interacts with the others to help readers come to their own conclusions The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion The Bible on Divorce and Remarriage Timothy Klaver,2019-11-13 Does Scripture sanction the grounds for righteous divorce and remarriage The entire subject of divorce and re marriage is a complex and emotionally charged issue It is one of the most vexing problems the church faces in these modern days Throughout church history Christians have been divided on the issue of divorce and re marriage On the one side of the argument it has been believed that Jesus declared it not a sin to remarry in the case of marital infidelity and the Apostle Paul declared it not a sin to remarry in the case of abandonment On the other side of the argument it has been believed that it is adultery to remarry while one s former spouse is still living Why are there two different interpretations of the same Scriptures Which interpretation is correct and in keeping with the context of Scripture In this thorough exegesis of all the biblical texts on the issue of divorce and re marriage Timothy Klaver once again leads the reader by the hand allowing the reader to see with their own eyes what the Bible itself has to say on this life altering issue This book will be an immensely valuable tool in instructing those who are troubled and struggle with this subject May we give marriage the same reverence that Scripture gives it Let marriage be held in honor among all Heb 13 4a

Christian Divorce and Remarriage the Gospel Myth and Truth William Deavin,2004-05 An evangelical approach to divorce and remarriage that allows divorce and remarriage according to certain biblical teachings *Recycling the Family* Frank F. Furstenberg,Graham B. Spanier,1984 This volume reports the result of a longitudinal study of the social psychological and economic adjustment to the transition from marriage to divorce to remarriage Furstenberg and Spanier present for the first time the result of a serious study of the world of remarried couples Many factors change in the second marriage there is the presence of former spouses and complex familial arrangements and the involved system of relationships forces us to reconsider our entire definition of the family This volume adds to our knowledge of remarriage through exploratory interviews and surveys *The Divorce Myth* J. Carl Laney,1981 Challenging new examination of biblical evidence concerning divorce and remarriage Author takes a no divorce remarriage position **Remarriage, a Healing Gift from God** Larry Richards,1981 After carefully studying the biblical teachings of marriage and divorce Larry Richards concluded that remarriage can be God s gift of healing and a new beginning Far from advocating divorce remarriage tells how once a divorce has happened God extends the opportunity for forgiveness and the chance to start again Back cover

Apostasy & Divorce: Forty Years in the Wilderness of Divorce and Remarriage Stephen M. Weaver,Catherine C. Weaver,2019-06-27 Apostasy is defined as a falling away from or a deliberate abandonment of what had been established

scriptural principles and doctrine This is exactly where the broader Church is today on the doctrine of divorce and remarriage Written from an Evangelical Protestant perspective we examine this apostasy and its ramifications to the broader Church society and individuals The authors own 40 year journey vividly underscore the theme Christians from the first 1900 years of the Church would not recognize today s doctrine as Christian Jesus exact teachings are examined in depth as are those of Paul Jesus definition of the divorced and remarried as adulterers is paramount to the entire discussion Adultery is one listed reason for exclusion from the kingdom The differences between legalism and grace are examined and explained The outcomes to individuals and society are listed and backed with scripture history and facts demonstrated beyond a reasonable doubt

What the Bible Says about Marriage, Divorce and Remarriage Olan Hicks,1978 What the Bible Really Says about Marriage, Divorce, and Remarriage Ed Dobson,1986-01-01 Divorce and Remarriage B. Ward Powers,2017-01-31 The Bible s Law and Grace approach is summed up in the one short saying 1 Corinthians 7 27 28 CEB If you are married don t get a divorce If you are divorced don t try to find a spouse But if you do marry you have not sinned This book provides a careful and detailed presentation of these aspects of the Bible s teaching and its application in the lives of Christians in the twenty first century Divorce is completely contrary to the will and purpose of God which is One man one woman for life For I hate divorce says the Lord Mal 2 16 But Jesus focuses our attention on the real problem sin disrupting damaging and ultimately destroying the marriage relationship Do not let this happen Jesus warns us He says They are no longer two but one flesh Therefore humans shouldn t pull apart what God has put together Matt 19 6 Mark 10 8 9 CEB And to allow or to cause the marriage relationship to be sundered is a serious sin But the grace of Christ can forgive sin and restore the sinner And in certain circumstances as set out by Paul the Apostle says to those who have been divorced they must marry
