## **Disillusioned Swept Away:**

**Exemplary Tales of Love and Tales of Disillusion** María de Zayas y Sotomayor, 2010-07-15 At the height of Mar a de Zayas s popularity in the mid eighteenth century the number of editions in print of her work was exceeded only by the novels of Cervantes But by the end of the nineteenth century Zayas had been excluded from the Spanish literary canon because of her gender and the sociopolitical changes that swept Spain and Europe Exemplary Tales of Love and Tales of Disillusion gathers a representative sample of seven stories which features Zayas s signature topics gender equality and domestic violence written in an impassioned tone overlaid with conservative Counter Reformation ideology This edition updates the scholarship since the most recent English translations with a new introduction to Zayas s entire body of stories and restores Zayas s author s note and prologue omitted from previous English language editions Tracing her slow but steady progress from notions of ideal love to love s treachery Exemplary Tales of Love and Tales of Disillusion will restore Zayas to her rightful place in modern letters *The Bookman* ,1917

**Siren Voices** Jens Peter Jacobsen, 1896 **The History and Revelation of the Lord's Recovery** Witness Lee, 2025-03-14 In these two volumes Witness Lee gives a detailed account of sixty years of the Lord s recovery work and revelation beginning in China with Brother Watchman Nee and continuing through Brother Lee s own salvation and subsequent service From October 1921 until October 1981 has been exactly sixty years We are not here to narrate past events or to tell stories but to relate historical facts Our burden is to see the preciousness of our revelation and to know its history We will also consider the facts that show how history has confirmed this revelation This study is a matter of extreme value I believe that after this training you will be clear about the kind of people you are and the difference between you and others in the midst of this dark and confused generation If we are clear on these points we will be able to do a clear work to bear a clear testimony and also to be clear in leading others in the future
