**Seek the Peace of Jerusalem** Omer Salem, 2017-12-19 Over the last seven decades since the formation of the State of Israel there has been no shortage of Jews and Arabs desiring peace in Israel Palestine the Holy Land Most peacemaking attempts failed because the parties did not see peace as a win win deal The prevailing mantra in this conflict is win lose or no deal Today the Palestinians are not willing to make a deal with the Israeli Jews because they perceive that a deal with the Israeli Jews means the Palestinians will lose Also the Israelis are not willing to make a deal with the Palestinian Arabs because they perceive that a deal with the Palestinian Arabs means the Israelis will lose There are also other geopolitical factors affecting this conflict This conflict is gradually shifting toward a battle fueled by people relying on religious texts to prolong the struggle

**Sons of Abraham** Rabbi Marc Schneier,Imam Shamsi Ali,2015-06-16 A prominent rabbi and imam each raised in orthodoxy overcome the temptations of bigotry and work to bridge the chasm between Muslims and Jews Rabbi Marc Schneier the eighteenth generation of a distinguished rabbinical dynasty grew up deeply suspicious of Muslims believing them all to be anti Semitic Imam Shamsi Ali who grew up in a small Indonesian village and studied in Pakistan and Saudi Arabia believed that all Jews wanted to destroy Muslims Coming from positions of mutual mistrust it seems unthinkable that these orthodox religious leaders would ever see eye to eye Yet in the aftermath of 9 11 amid increasing acrimony between Jews and Muslims the two men overcame their prejudices and bonded over a shared belief in the importance of opening up a dialogue and finding mutual respect In doing so they became not only friends but also defenders of each other's religion denouncing the twin threats of anti-Semitism and Islamophobia and promoting interfaith cooperation In *Sons of Abraham* Rabbi Schneier and Imam Ali tell the story of how they became friends and offer a candid look at the contentious theological and political issues that frequently divide Jews and Muslims clarifying erroneous ideas that extremists in each religion use to justify harmful behavior Rabbi Schneier dispels misconceptions about chosenness in Judaism while Imam Ali explains the truth behind concepts like jihad and Shari'a And on the Israeli Palestinian conflict the two speak forthrightly on the importance of having a civil discussion and the urgency of reaching a peaceful solution As Rabbi Schneier and Imam Ali show by reaching a fuller understanding of one another's faith traditions Jews and Muslims can realize that they are actually more united than divided in their core beliefs Both traditions promote kindness service and responsibility for the less fortunate and both religions call on their members to extend compassion to those outside the faith In this sorely needed book Rabbi Schneier and Imam Ali challenge Jews and Muslims to step out of their comfort zones find common ground in their shared Abrahamic traditions and stand together and fight for a better world for all

**Worlds** Ammiel Hirsch, Yaakov Yosef Reinman, 2009-09-09 After being introduced by a mutual friend in the winter of 2000 Reform Rabbi Ammiel Hirsch and Orthodox Rabbi Yosef Reinman embarked on an unprecedented eighteen month e mail correspondence on the fundamental principles of Jewish faith and practice What resulted is this book an honest intelligent no holds barred discussion of virtually every hot button issue on which Reform and Orthodox Jews differ among them the existence of a Supreme Being the origins and authenticity of the Bible and the Oral Law the role of women assimilation the value of secular culture and Israel Sometimes they agree more often than not they disagree and quite sharply too But the important thing is that as they keep talking to each other they discover that they actually like each other and above all they respect each other Their journey from mutual suspicion to mutual regard is an extraordinary one from it both Jews and non Jews of all backgrounds can learn a great deal about the practice of Judaism today and about the continuity of the Jewish people into the future *Is Religious Diversity Embraceable by Evangelical Christians and Orthodox Muslims?* Benjamin B.

DeVan, 2010 *Ultra Orthodox Rabbi Jacob Emden Meets Apostle Paul* Michael Adi Nachman, 2015-02-16 Here we look at the thoughts of the highly respected and highly controversial Rabbi Jacob Emden Rabbi Emden Yabetz is as orthodox a Rabbi as there ever was He loved truth and vigorously opposed what he understood as error among his own people When he did his study of the New Testament the results were shocking and yet he risked his life to publish the fact that the teaching of Paul was exactly in line with ancient Jewish halakha In his Megilat Sefer Rabbi Emden explained the threats to his life and livelihood which came from the publication of his short response to the position of the New Testament on the Torah In the second paper we enter another highly controversial issue Does the New Testament apply the Tetragrammaton as Philo of Alexandria called the Divine name Yahuah Yehovah Yahweh to the resurrected and ascended Jesus of Nazareth This idea was peer reviewed in the paper Reflections on the Use of the name Yahuwah Yahweh or Iao in Early Christian communities
