Holy Available Gary Thomas, 2009-08-30 True Christian faith is a profoundly transformational experience in which every part of our being is marked by God's change and energized by his presence This transformation takes us far beyond mere sin avoidance to a robust full bodied holiness in which we make ourselves holy available to God every minute of the day From Starbucks to the office to the soccer fields to the boardroom believers have the opportunity to carry the presence of Christ wherever they go God offers the reader more than mere forgiveness he wants to radically change and fill them with his presence so they can experience an entirely different kind of life based not just on what they do or don't do but on who they are Yet while many Christians today profess belief their Christianity has no pulse Holy Available is a manifesto of fully alive faith Gary Thomas issues a compelling call for readers to see with Christ's eyes feel with Christ's heart and serve with Christ's hands We make ourselves available to become God oases places of spiritual refuge where God can bring the hurting and lost to enjoy his presence and ministry
