Divorce And Remarriage By The Book:

Divorce and Remarriage H. Wayne House,1990-04-20 Editor H Wayne House introduces a lively debate on varying Christian views of divorce and remarriage Contributors include J Carl Laney William Heth Thomas Edgar and Larry Richards

Marriage, Divorce, and Remarriage in the Bible Jay E. Adams,1986 Many pastors counselors and theologians consider this book the most helpful on the issue of marriage and divorce Divorce and Remarriage Curtis Hutson,2000-08

Divorce and remarriage Guy Duty,1983 **Remarriage after Divorce in Today's Church** Zondervan,2009-12-15 Despite a strong belief in the institution and sacredness of marriage studies show that Christian spouses experience divorce at least as much as the secular population But whatever the reasons for a divorce beyond the divorce itself many Christians want to know does the Bible support remarriage The fact is that no consensus exists among evangelicals on their views of remarriage leaving many Christians confused This Counterpoints volume explores the biblical and practical cases for the three main evangelical views on remarriage after divorce Remarriage is not acceptable after divorce defended by Gordon J Wenham Remarriage is acceptable only after adultery or desertion defended by William A Heth Remarriage is acceptable for a variety of reasons defended by Craig S Keener Each of the three contributors offers his point of view succinctly and with biblical support and each interacts with the others to help readers come to their own conclusions The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion **Divorce & Remarriage** Rubel Shelly,2013-07-29 In this book a

serious scholar with extensive experience in ministry looks at the question of divorce and remarriage He offers a redemptive theology that affirms the importance of marriage the urgency of helping people survive their marital crises and the redemptive mercies and grace of God for those who have divorced and remarried **The Bible on Divorce and**

Remarriage Michael Pearl,2015 Historically Christians have been divided on the issue of divorce and remarriage many institutions and theologies coming down on the side that it is adultery to remarry while one s former spouse is still alive This is consistent with the words of Jesus in Matthew and the words of the Apostle Paul in Romans Others stand by the words of Paul in 1 Corinthians where he clearly declares that it is not a sin to marry again if you were put away abandoned or divorced by an unbelieving spouse There seems to be a conflict in Scripture regarding divorce and remarriage You do not have to pick a side to the exclusion of the other There is a marvelous harmony in the Word of God In this book you will see Scripture in all of its glorious consistency and you will appreciate the divine logic The subjects of divorce remarriage and adultery have confused both Christians and their pastors alike In this thorough exegesis of all the Bible texts concerning divorce and remarriage Michael Pearl answers these issues with the Word of God revealing the perfect harmony in Scripture and God s divine plan for marriage This is not a lecture or a diatribe against those who are divorced If you are a pastor or counselor you

will find this book to be a great tool to instruct those who are troubled by this subject The Bible on Divorce and Remarriage Timothy Klaver, 2019-01-18 Does Scripture sanction the grounds for righteous divorce and remarriage The entire subject of divorce and re marriage is a complex and emotionally charged issue It is one of the most vexing problems the church faces in these modern days Throughout church history Christians have been divided on the issue of divorce and re marriage On the one side of the argument it has been believed that Jesus declared it not a sin to remarry in the case of marital infidelity and the Apostle Paul declared it not a sin to remarry in the case of abandonment On the other side of the argument it has been believed that it is adultery to remarry while one s former spouse is still living Why are there two different interpretations of the same Scriptures Which interpretation is correct and in keeping with the context of Scripture In this thorough exegesis of all the biblical texts on the issue of divorce and re marriage Timothy Klaver once again leads the reader by the hand allowing the reader to see with their own eyes what the Bible itself has to say on this life altering issue This book will be an immensely valuable tool in instructing those who are troubled and struggle with this subject May we give marriage the same reverence that Scripture gives it Let marriage be held in honor among all Heb 13 4a Marriage, Divorce, Remarriage Andrew J. Cherlin, 1992 Marriage Divorce Remarriage explores Americans ambivalence toward marriage we continue to value it highly but we also marry later dissolve the marriages we make more readily and are more reluctant to remarry than ever before *Marriage, Divorce and Remarriage* ,1904 **Put Away But Not Divorced** Robert Waters, 2012 Because of the ramifications divorce and remarriage is one of the most hotly debated biblical issues in the church today Many people find this issue to be a challenging subject Preachers and dedicated Bible students have written numerous books and engaged in countless discussions seeking to answer the question of whether one who has been divorced or has divorced may marry again Yet Christians are far from united on this issue Many find it so difficult and troublesome to discern the truth that they refuse to even open their mind to an honest study of the subject Others are so fully convinced they have the answer and that what they know is so vital to truth and morality they will have no fellowship with those who differ with them Does God intend for divorced women to remain celibate Will divorcees be judged as having committed a sin by remarriage Do you know what the Bible actually says concerning marriage divorce remarriage MDR In his honest look at MDR Robert Waters examines the Greek word *apulo* put away and discusses its true meaning in the context of Jesus s time Through this examination to include a comprehensive study of relevant passages and a thorough rejoinder to opposing arguments Waters guides the reader to a better understanding of MDR and God s intention for divorce in Put Away but Not Divorced **Marriage, Divorce and Remarriage** Samuel G. Dawson, 2010-11-01 This book deals with the issues Is sexual intercourse a right or a condition of marriage In the Bible betrothal was marriage not engagement to be married What is civil government s interest in marriage Common law marriage in the Bible Is fondling sexual intercourse Why most adulterers in the Old Testament were not stoned to death Was God really loose on divorce in the Old Testament Is the Sermon on the

Mount Old or New Testament teaching Is celibacy refraining from sex or refraining from marriage Two problems that have to be worked to resolve any unscriptural divorce and remarriage situation What are the three ways a person can commit adultery God doesn't hate all divorce at least equally Must one divorce an impenitent fornicating spouse Every exception clause in the Bible contains a necessary implication Is there a guilty party in Mt 5 32 or Mt 19 9 May one guilty party put away another How does an unjustly put away person put away a fornicating spouse Why whether a put away fornicator may remarry is hardly the issue Four questions which if answered may lead to a solution of every question on marriage divorce and remarriage Is divorce and remarriage private or church business Church limitations in dealing with divorce Can a local church study these issues for itself and determine its own conduct on these matters If not let's not hear any more about local church autonomy

Divorce and Remarriage B. Ward Powers, 2017-01-31 The Bible's Law and Grace approach is summed up in the one short saying 1 Corinthians 7 27-28 CEB If you are married don't get a divorce If you are divorced don't try to find a spouse But if you do marry you have not sinned This book provides a careful and detailed presentation of these aspects of the Bible's teaching and its application in the lives of Christians in the twenty-first century Divorce is completely contrary to the will and purpose of God which is One man one woman for life For I hate divorce says the Lord Mal 2 16 But Jesus focuses our attention on the real problem sin disrupting damaging and ultimately destroying the marriage relationship Do not let this happen Jesus warns us He says They are no longer two but one flesh Therefore humans shouldn't pull apart what God has put together Matt 19 6 Mark 10 8-9 CEB And to allow or to cause the marriage relationship to be sundered is a serious sin But the grace of Christ can forgive sin and restore the sinner And in certain circumstances as set out by Paul the Apostle says to those who have been divorced they must marry

Marriage, Divorce and Remarriage Conrad Mbewe, 2020-11 Pastor Conrad Mbewe brings to us a combination of pastoral scholarly and biblical exegesis in opening up the subject matter in this book I encourage you to read this book with an objective mind and wrestle with the Scriptures that are presented in this book I am convinced that this book is an indispensable read for pastors elders and church members Do not wait to read the book when you are married or when your marriage is going through what is wrongly called irreconcilable problems Read it now to consolidate your marriage and to provide biblical counsel to others on the three sub-topics Get a copy as soon as you can and actually read it You will not be disappointed This is truly a great work on the subject Lama Lawrence Pastor of Ndola Baptist Church
